### INTRODUCTORY SECTION

- Transmittal Letter
- List of Officials
- Organizational Chart

January 7, 2016

To the Honorable Mayor and Members of the City Council of the City of Lincoln:

I am pleased to present the Comprehensive Annual Financial Report (CAFR) of the City of Lincoln (City) for the fiscal year ended June 30, 2015 in accordance with the Lincoln Municipal Code Section 2.20.030(C). The basic financial statements and supporting schedules have been prepared in accordance with Generally Accepted Accounting Principles (GAAP) for local governments as established by the Governmental Accounting Standards Board (GASB).

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements. The City contracted with Smith & Newell CPAs, a firm of Certified Public Accountants, to perform the annual independent audit. The independent auditor's report is included in the Financial Section of this report. Management's Discussion and Analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it.

#### **Profile of the Government**

The City of Lincoln was incorporated in 1890 and is located 25 miles northeast of Sacramento in the northernmost region of South Placer County. The City occupies 20 square miles and serves a population of more than 45,800 people. The City of Lincoln was named the 2006 winner of the coveted All-America Cities Award given by the National Civic league – the nation's longest running and most prestigious civic recognition program. Lincoln is a General Law City, formed under the State legislative process and structured under the provisions of the California constitution. The Mayor and City Council is the governing body of the City and is comprised of five elected officials, who serve "at large" rather than by district, each for four-year terms. City voters also elect a City Treasurer who serves a four-year term.

Lincoln is operated under the Council-Manager form of government. The City Council hires the City Manager, who is then responsible for all management functions of the City, including development of the budget, delivery of services, hiring of personnel and implementation of capital projects. The City provides a full range of services including public safety (police and fire), sanitation, water and sewer service, library, recreational and cultural activities, public improvements, planning, zoning and general administrative services. The City also operates a municipal airport and transit system.

The City Council adopts an annual budget prior to the beginning of each fiscal year (July 1). This annual budget serves as the foundation for the City of Lincoln's financial planning and control. The City's budget is a detailed operating plan that identifies estimated costs in relation to estimated revenues. Ultimate budgetary control resides at the fund level. However, the City has adopted a number of budgetary appropriation and transfer procedures to provide strong internal controls while encouraging improved accountability and administrative responsiveness. All transfers between funds require City Council review and approval.

#### Local Economy

The City of Lincoln's recovery from the recent economic recession has been slow. The City has, in recent years, seen a significant resurgence of development activity as well as an end to declining property and sales tax revenue which is a positive indication that the City is moving toward stronger economic health.

The City's annualized unemployment rate rose from 7.8 percent in 2006 to a high of 20.2 percent in 2010 and has dropped to 11.2 percent in 2015. According to the California Department of Housing and Community Development (HCD), the 2015 median income for a four-person household in Placer County was \$76,100. The median household income in Lincoln was \$73,000, slightly below Placer County's median income for the same period.

During Fiscal Year 2014-15, the City Council continued its efforts to return the City to fiscal stability by adopting a balanced operating budget with sufficient revenues to cover anticipated expenditures. The City Council approved funding for a comprehensive effort to continue efforts to evaluate economic development opportunities which would encourage additional business activities within the City. Public safety continues to represents the single largest expenditure category within the governmental activities fund group. During the past ten years, expenditures related to public safety have increased not only in amount, but also as a percentage of total expenditures in governmental funds. For the fiscal year ended June 30, 2015, public safety costs totaled \$8.8 million or 63.3 percent of total governmental activities expenditures compared to \$7.4 million (25.3 percent of total governmental activities expenditures) in Fiscal Year 2005-2006. Much of this increase reflects a state-wide trend that has seen the salaries and benefits of police and firefighters growing at a faster rate than those of other categories of public-sector employees.

#### Long-term Financial Planning

Committed and unassigned fund balance (the balance after non-spendable, restricted, and assigned components of fund balance) in the General Fund at year end was \$9.4 million or 65.7 percent of total General Fund expenditures and transfer-out. This is consistent with the City Council approved General Fund Reserves Policy which provides for a minimum of \$2 million or 15 percent of General Fund expenditures (whichever is greater) to be set aside in a Catastrophic Reserve to meet operational needs during times of a declared emergency or major catastrophe and an additional Economic Reserve funded at a minimum or 15 percent of General Fund expenditures to maintain the City's economic vitality and to meet seasonal cash flow shortfalls.

#### **Major Initiatives**

During the 2014-15 fiscal year, the City continued implementation of a Strategic Action Plan to promote business retention and expansion and to attract and grow new business within the City of Lincoln. The City has benefitted from the completion of the Highway 65 Bypass (the longest stretch of freeway built in California in the last ten years) which provided improved mobility and economic stimulus for the City's airport and industrial area. In addition, several major residential development projects moved forward including the \$73 million Mid-Western Placer Regional Sewer Project.

#### Relevant financial policies

The City of Lincoln has adopted a comprehensive set of financial policies. Recognizing that fiscal stability is an important factor to mitigate current and future risks and to ensure long-term financial planning, a General Fund Reserves Policy has been developed to maintain adequate reserve funds for known and unknown contingencies. Policies providing guidance for inter-fund loans and managing accounts receivable have also been implemented.

#### **Acknowledgements**

The preparation of this report was made possible by the dedicated service of the City's Support Services Department's Finance Division with support from all City departments. It is noteworthy to point out that this year's audit opinion is unmodified and largely due to the herculean efforts by staff driven by the Finance Division and indepentednt auditors.

Credit also must be given to the Mayor and members of the City Council for their support in planning and conducting the financial operations of the City of Lincoln in a responsible, professional and fiscally prudent manner.

Respectfully submitted,

Matthew Brower City Manager

### **SMITH & NEWELL**

CERTIFIED PUBLIC ACCOUNTANTS

#### INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Members of the City Council City of Lincoln Lincoln, California

#### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Lincoln, California (City), as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

To the Honorable Mayor and Members of the City Council City of Lincoln Lincoln, California

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of June 30, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Emphasis of Matter**

As described in Note 1S to the financial statements, in 2015, the City implemented Governmental Accounting Standards Board (GASB) Statement Nos. 68, 69, and 71. The implementation of GASB 68 and 71 resulted in the restatement of beginning net position for the year ended June 30, 2015. Our opinion is not modified with respect to these matters.

As described in Note 12B, the net pension liability is measured as of June 30, 2014 and the pension expense is for the measurement period of 2013-2014. Our opinion is not modified with respect to this matter.

#### **Other Matters**

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, City Pension Plans-Schedule of Proportionate Share of the Net Pension Liability, City Pension Plans-Schedule of Contributions, Notes to the City Pension Plans, City OPEB Plan-Schedule of Funding Progress and budgetary comparison information as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, combining and individual nonmajor fund financial statements and schedules, and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

To the Honorable Mayor and Members of the City Council City of Lincoln Lincoln, California

The combining and individual nonmajor fund financial statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

#### Other Reporting Required by Government Auditing Standards

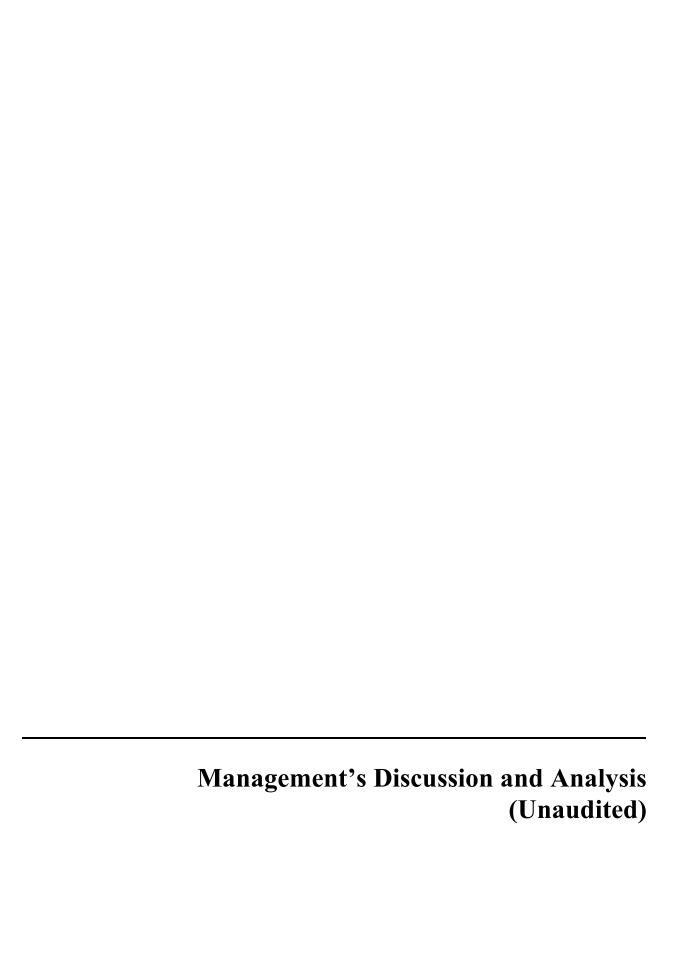

Smith & Dewell

In accordance with Government Auditing Standards, we have also issued our report dated January 7, 2016 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the City's internal control over financial reporting and compliance.

Smith & Newell CPAs Yuba City, California

January 7, 2016

As Management of the City of Lincoln (City), we offer readers of the City's financial statements this narrative overview and analysis of the financial activities of the City of Lincoln for the fiscal year ended June 30, 2015. We encourage readers to consider the information presented here in conjunction with the City's basic financial statements following this section.

#### FINANCIAL HIGHLIGHTS

- The assets of the City of Lincoln exceeded its liabilities at the close of the most recent fiscal year by \$831,019,188 (net position). Unrestricted funds showed a net negative balance of \$3,237,172 primarily resulting from the public facility element fund and it is anticipated that fees collected will be utilized to eliminate this negative balance.
- The City's total net position increased by \$18,833,631. Governmental activities increased the City's net position by \$20,431,259 and business-type activities reduced the City's net position by \$1,597,628. Included in these increases is a restatement of net position as shown in Note 2 on page 40.
- As of June 30, 2015, the City's governmental funds reported combined ending fund balances of \$95,012,783 an increase of \$30,729,601 in comparison with the prior year. Non-spendable, restricted, committed and assigned funds totaled \$109,279,115 whereas unassigned funds registered a negative balance of \$14,266,332.
- At the end of the fiscal year, the unassigned fund balance of the General fund was \$5,580,155 or 41% of total General fund expenditures.

#### OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction of the City's basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the City's assets and liabilities, with the difference between the two reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Lincoln is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g. uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City of Lincoln that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City of Lincoln included general government, public safety, public works and facilities, culture and recreation, urban redevelopment and housing and education. The business-type activities of the City of Lincoln included water, wastewater, solid-waste, transit and airport.

The Successor Agency to the City of Lincoln Redevelopment Agency and the Lincoln Public Financing Authority, although legally separate, function for all practical purposes as departments of the City of Lincoln and, therefore, have been included as an integral part of the primary government.

The government-wide financial statements can be found on pages 16-18 of this report.

**Fund financial statements.** A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Lincoln, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds in the City of Lincoln can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund finance statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a City's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the City's near term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City of Lincoln maintains 35 individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General fund, Public Facility Element (PFE) funds, Water Connections fund, and Federal Grants fund. All of these are considered to be major funds. Data from the remaining governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of *combining statements* elsewhere in this report.

The basic governmental fund financial statements can be found on pages 19-22 of this report.

Proprietary funds. The City of Lincoln maintains two different types of proprietary funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statement. The City of Lincoln uses enterprise funds to account for its water, wastewater, solid-waste, transit and airport operations. Internal service funds are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City of Lincoln uses the internal service fund to account for its vehicle fleet, facility maintenance, administrative services, and for its management of public services. Since all of these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for its Water, Wastewater, Solid Waste and Airport operations, as all of these are considered to be major funds of the City of Lincoln. Data from the remaining proprietary fund is combined into a single aggregate presentation.

The basic proprietary fund financial statements can be found on pages 23-27 of this report.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of the funds are *not* available to support the City's own programs. Fiduciary funds are custodial in nature and therefore, the accounting used does not involve the measurement of the results of operations.

The basic fiduciary fund financial statements can be found on pages 28-29 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 30-71 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning the City's pension liability and other post-employment benefits (OPEB). The City of Lincoln adopts an annual appropriated budget for its General fund, Public Facility Element (PFE) funds, Water Connections fund, and Federal Grants fund. Budgetary comparison statements have been provided for these four major funds to demonstrate compliance with this budget. The budgetary comparison statements can be found on pages 76-80 of this report.

The combining statements referred to earlier in connection with non-major governmental funds, non-major enterprise funds, and fiduciary funds are presented immediately following the required supplementary information, which is found on pages 83-135.

#### GOVERNMENT-WIDE FINANCIAL ANALYSIS

Governmental Activities: A comparative analysis of the government-wide data follows.

|                                  |    | Govern       | meı  | ntal         | Business-type |             |    |             |       |             |    |             |    |             |

By far, the largest portion of the City's net position (\$714,637,926 or 86%) reflects its investment in capital assets (e.g. infrastructure, land, buildings, equipment), less any related debt used to acquire those assets to provide services to citizens; consequently, these assets are not in spendable form. The remaining City's net position consist of restricted funds of \$119,618,434 which are resources subject to external restrictions governing how they may be used and unrestricted net position with a negative balance of \$3,237,172. Governmental activities increased the City's net position by \$20,431,259 (see Note 2 on page 40) while business-type activities decreased the City's net position by \$1,597,628.

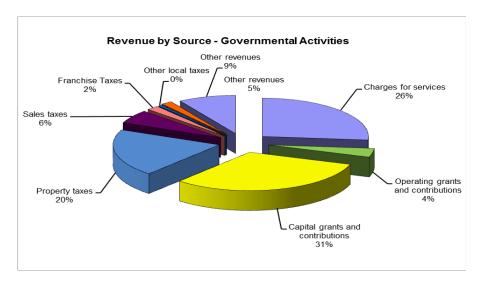

#### Changes in Net Position As of June 30, 2015 and 2014

#### Key elements of the 18.0% increase in revenues for governmental activities are as follows:

- Taxes and other revenues increased by \$5.2 million primarily due to the improved economy and increase property taxes.
- Capital grants and contributions increased by \$6.2 million primarily due to an increase in of public works and facilities capital assets which were offset by the decline in charges for services and operating grants of \$4.3 million.

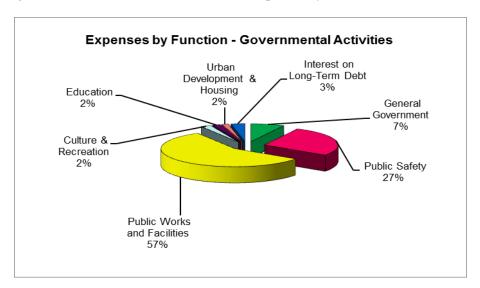

The following chart shows Governmental Activities Revenues by Source:

#### Key elements of the 55% increase in expenses for governmental activities are as follows:

• Overall expenses increased \$11.8 million with Public Works and Facilities making up the majority of the increase at \$11.5 million primarily due to depreciation expense.

The following chart shows Governmental Activities Expenses by Function:

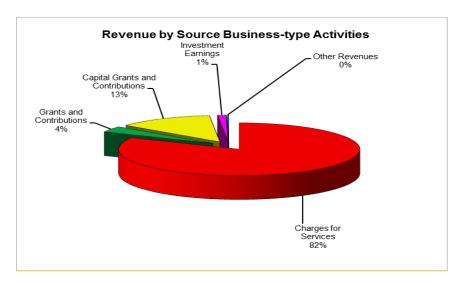

**Business-type Activities:** Business-type activities decreased the City's net position by \$1.6 million or .4% in the fiscal year ending June 30, 2015.

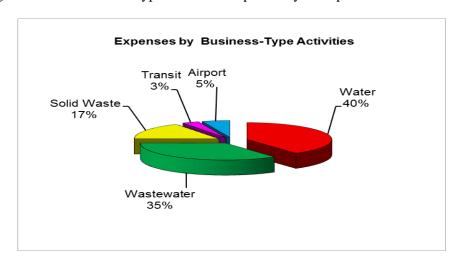

Key elements accounting for the changes in revenues and expenses for business type activities are as follows:

- Charges for services increased \$1.8 million which is offset by decreases in grants and contributions (\$361,045), capital grants and contributions (\$1.3 million)
- Other revenue decreased by \$5.02 million due to the prior year sale of property and no property sales in the current period
- Water expenses increased by \$2.79 million or 29% primarily due to increased depreciation expenses.
- Wastewater expenses increased by \$3.19 million or 42% primarily due increased depreciation expenses which was offset by a decrease in services and supplies

The following chart shows Business-type Activities Revenues by Source:

The following chart shows Business-type Activities Expenses by Enterprise:

#### FINANCIAL ANALYSIS OF THE CITY'S FUNDS

As noted earlier, the City of Lincoln uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Under the Government Accounting Standards Board Statement 54, fund balances are now classified as non-spendable, restricted, committed, assigned and unassigned. Non-spendable fund balances are amounts that are inherently non-spendable, i.e. cannot be spent because of their form or because they must be maintained intact. Restricted fund balances are amounts with externally enforceable limitations on use, such as limitations imposed by creditors or grantors, and limitations imposed by other governments. Committed fund balances are amounts that can only be used for the specific purposes determined by formal action of the City's highest level of decision-making authority. Assigned fund balances are amounts constrained by the City's intent to be used for specific purposes. Unassigned fund balances the residual net resources, is the amount in excess of non-spendable, restricted, committed and assigned amounts. Negative fund balances are included in the unassigned fund balance category.

*Governmental funds.* The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of resources that are available for spending. Such information is useful in assessing the City's financial requirements.

At the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$95,012,783, an increase of \$30,729,601 over the prior year. The increased fund balance is the result of revenues exceeding expenditures by \$9,116,519 as well as contributions from other financing sources of \$815,473, and \$1,899,900 from the sale of a capital asset. In addition, there was an \$18,897,709 period adjustment resulting from re-classifying agency funds as capital project funds as explained under Note 2 of the financial statements. When comparing total revenues and expenditures against the prior year, net revenue increased 12% from the prior period.

Non-spendable fund balances total \$34,306,768, restricted fund balances total \$65,041,872, committed fund balances total \$3,803,726, assigned fund balances total \$6,126,672 and unassigned fund balances total a negative \$14,266,332. While the General fund has a positive unassigned fund balance of \$5,580,155, the Public Facility Element (PFE) funds continue to carry a negative unassigned fund balance of \$18,320,588 down from a negative \$20,800,237. These accumulated negative fund balances must be closely monitored to avoid future negative financial impact on the City.

The following discussion touches on each of the four major governmental funds.

General Fund. The General fund is the chief operating fund of the City of Lincoln. Fiscal Year 2014-15 increased the City's General fund balance by \$2,086,407 to an ending fund balance of \$9,745,551. The unassigned fund balance of the General fund is \$5,580,155. The committed fund balance at year end was \$3,803,726 which contains reserves of \$2,000,000 for Catastrophic, \$1,748,170 for Economic, and \$55,556 for Youth Programs. The non-spendable fund balance at year-end of \$361,627 is invested in the City's insurance program with JPA (Northern California Cities Self Insurance Fund).

Revenues exceeded expenditures by \$1,929,852 while other financing sources resulted in a positive \$156,555 thus resulting in a year end gain of \$2,086,407 primarily due to the increase in taxes and assessments. As a measure of the General fund's liquidity, it may be useful to compare the unassigned fund balance to total fund expenditures. Including sources and uses, the unassigned fund balance represents 41% of total General fund expenditures, up from 29%.

The following Revenue by Source and Expenditure by Function tables provide a two-year comparison. Accompanying the tables are brief explanations of significant changes.

#### Revenue by Source General Fund

| Interest and Investment Income |         | 68,386     | 0.4%       |    | 150,099    | 1.0%       | \$                  | (81,713)    | -54.4%  |  |
| Intergovernmental Revenue      |         | 271,294    | 1.7%       |    | 42,143     | 0.3%       | \$                  | 229,151     | 543.7%  |  |
| Charges for Services           |         | 1,546,680  | 9.9%       |    | 2,589,345  | 18.1%      | \$                  | (1,042,665) | -40.3%  |  |
| Other Revenues                 |         | 318,569    | 2.0%       |    | 327,147    | 2.3%       | \$                  | (8,578)     | -2.6%   |  |
| Total                          |         | 15,655,945 | 100%       |    | 14,327,579 | 100.0%     |                     | 1,328,366   | 9.3%    |  |

Total General fund revenues increased by \$1,328,366 or 9.3% from the prior fiscal year and are driven by a combination of factors

- Taxes and assessments increased by \$2 million primarily due to increased assessments and improving economy.
- Licenses and permits revenue increased by \$155,539 due to an increase in development activity within the City.
- Fines and Penalties increased \$25,813 resulting from increases in vehicle fine revenue.
- Interest and investments income decreased \$81,713 reflective of the investment returns.
- Intergovernmental revenue increased by \$229,151 primarily receipt of a mandated cost recovery.
- Charges for services decreased by \$1,042,665 primarily due to reduced CFD and PFE administrative fees, developer activity.

| Culture and Recreation          |            | 646,393    | 4.9%   |    | 634,643    | 5.2%       |        | 11,750      | 1.9%    |
| Urban Redevelopment and Housing |            | 556,739    | 4.2%   |    | 510,937    | 4.2%       |        | 45,802      | 9.0%    |
| Education                       |            | 397,620    | 3.0%   |    | 384,156    | 3.2%       |        | 13,464      | 3.5%    |
| Total                           | \$         | 13,299,448 | 100.0% | \$ | 12,138,059 | 100.0%     | \$     | 1,161,389   | 9.6%    |

The above General fund expenditures increased by \$1,161,389 or 9.6% from the prior fiscal year primarily due to increased salaries and benefits of \$888,828.

Public Facility Element (PFE) Special Revenue Funds. The PFE funds are collected with the issuance of building permits and are used by the City to fund infrastructure projects and public facilities. The City's PFE funds include Transportation, Drainage, Parks, and Community Services for Police, Fire, Administration and the Library. Development activity in Lincoln declined significantly during the recent economic downturn. During the past two years, however, the City has seen renewed development interest. The PFE funds had a total negative fund balance of \$6,739,593 at the end of the 2014-15 fiscal year. This is a significant improvement from the negative fund balance of \$9,091,236 as June 30, 2014. This improvement over the prior year is indicative of a slowly recovering economy. As new development projects are undertaken, new fees will be applied toward these negative fund balances.

*Water Connections Special Revenue Fund.* These funds are used to account for water connection fees collected from developers and property owners that are required by the California Government Code to be expended for capacity expansion. The fund balance of the Water Connections fund at the end of Fiscal Year 2014-15 was \$34,317,767 or 7.9% more than the prior fiscal year.

**Federal Grants Special Revenue Fund.** These funds are used to account for grant revenues received from the federal government for capital projects. The fund balance (deficit) of the Federal Grants fund at the end of fiscal year 2014-15 was a deficit of (\$15,205,899) or 5% less than the prior fiscal year.

## CITY OF LINCOLN MANAGEMENT'S DISCUSSION AND ANALYSIS

#### GENERAL FUND BUDGETARY HIGHLIGHTS

In preparing the annual budget, the City develops revenue and expenditure projections using a realistic, but conservative methodology based upon the best information available at that time. During the course of the fiscal year, the City Council is presented with financial status reports and approves amendments to budgeted revenue and expenditure projections as needed so that the City's budget provides an accurate measurement of available fiscal resources and City Council priorities.

The final General fund budget for Fiscal Year 2014-15 projected revenue of \$14,268,185 and expenditures of \$13,807,224 with an anticipated surplus of \$460,961. The results of the General fund for the year ended June 30, 2015, were more than anticipated. As of the end of the fiscal year, revenue totaled \$15,655,945 or \$1,387,760 more than the budgeted amount. Expenditures (budgetary basis) totaled \$13,299,248 or \$507,976 less than the approved budget, resulting in an operating surplus of \$2,356,697. The schedule provides a reconciliation of the change in fund balance under the budgetary basis of accounting, as compared to actual GAAP basis, revealing a budgetary increase in net fund balance of \$2,513,252 as of June 30, 2015.

#### CAPITAL ASSETS AND DEBT ADMINISTRATION

**Capital assets.** The City's investment in capital assets for its governmental and business-type activities as of June 30, 2015, amounts to \$736,773,896 (net of accumulated depreciation). This investment in capital assets includes land, building and facilities, machinery and equipment, park facilities, and roads. Total decrease in the City's investments in capital assets for the 2014-15 fiscal year was \$3,029,771 or .4%.

## City's Capital Assets (net of depreciation)

|                          | Governmental  |            | Business-type |               |    |             |               |    |             |

| Buildings and structures | 60,890,827    |            | 61,934,841    | 13,475,998    |    | 14,042,977  | 74,366,825    |    | 75,977,818  |
| Machinery and equipment  | 2,284,309     |            | 2,357,584     | 1,793,738     |    | 2,130,020   | 4,078,047     |    | 4,487,604   |
| Land improvement         | 16,618,711    |            | 17,489,769    | 897,677       |    | 953,584     | 17,516,388    |    | 18,443,353  |
| Total                    | \$387,969,181 | \$         | 388,550,497   | \$348,804,715 | \$ | 351,253,170 | \$736,773,896 | \$ | 739,803,667 |

Both Governmental Activities and Business-type Activities experienced a decrease in capital assets, net of depreciation. Governmental Activities decreased by \$581,316 or 0.1% and Business-type Activities decreased by \$2,448,455 or 0.7%. The decreases are driven by a reduction in infrastructure of \$10 million resulting in a reduction of contributed.

The City's infrastructure assets are recorded at historical cost in the government-wide financial statements as required by Governmental Accounting Standard (GASB) Statement No. 34. In prior periods, the City elected to use the modified approach to report its infrastructure but has now elected to use the straight line approach. As the City's fixed assets have practically doubled, the City is in need of a GIS and pavement management system to ensure its' infrastructure is maintained in the most efficient manner.

Additional information on the City's capital assets can be found in Note 4 on pages 44-46 of this report.

## CITY OF LINCOLN MANAGEMENT'S DISCUSSION AND ANALYSIS

**Long-term debt.** As of June 30, 2015, the City of Lincoln had total debt outstanding of \$43,397,681. This amount is comprised of \$20,093,511 in bond debt, \$4,687,145 in other post employment benefit obligation, \$2,003,598 in capital leases, \$2,058,126 in compensated absences, \$1,105,681 in landfill post closure liability, and \$38,861 in loans payable. In accordance with GASB 68, the net pension liability is recorded as to long term liabilities as prior period adjustment to net pensions and increased long term liabilities by \$13,410,759.

The City's total debt increased by \$12,704,204 or 41.4% during Fiscal Year 2014-15, and is primarily attributable to the net pensions liability required scheduled payment of debt obligations. Additional information on the City's long-term debt can be found in Note 7 on pages 51-53 of this report.

#### ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

The economic climate in the City of Lincoln continues to stabilize after several years of weathering the nation-wide recession. Slight increases are anticipated in the two largest sources of revenue to the General Fund – property tax and sales tax. The City is experiencing a renewed interest in development with a number of new projects moving through the design and permitting process. The cost savings measures that have been implemented over the past several years have placed the City of Lincoln in a position to operate efficiently and at a sustainable level. The adopted budget for Fiscal Year 2015-16 is a balanced budget with sufficient revenues anticipated to be available to fund the current level of operating costs. The City Council recently took action to provide for the future stability of the City's water, wastewater and sanitation systems by approving an orderly series to rate adjustments over the next several years to ensure that funding is available to continue to provide quality utility service to the citizens and businesses of this city.

#### REQUESTS FOR INFORMATION

This financial statement is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the City's finances and to demonstrate the City's accountability for the money it receives. If you have any questions about this report or need additional financial information, please contact the Administrative Services Department, City of Lincoln, 600 Sixth Street, Lincoln, CA 95648.

### Reconciliation of the Governmental Funds Balance Sheet to the Government-Wide Statement of Net Position - Governmental Activities June 30, 2015

| Total Fund Balance - Total Governmental Funds   | \$ 95,012,783  |
|---|----------------|
| Amounts reported for governmental activities in the statement of net position are different because:  |                |
| Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds.   | 387,772,464    |
| Other long-term assets are not available to pay for current period expenditures and therefore, are reported as unavailable revenues in the governmental funds.                      | 1,450,816      |
| Interest payable on long-term debt does not require the use of current financial resources and therefore, is not accrued as a liability in the governmental funds balance sheets.   | (393,163)      |
| Deferred outflows of resources related to pensions are not reported in the governmental funds.  | 2,315,769      |
| Deferred inflows of resources related to pensions are not reported in the governmental funds.   | (2,707,663)    |
| Certain liabilities are not due and payable in the current period and therefore, are not reported in the governmental funds.  |                |
| Bonds payable   | (19,968,511)   |
| Capital leases  | (376,565)      |
| Compensated absences  | (1,358,546)    |
| Net pension liability   | (9,970,006)    |
| Net OPEB obligation   | (3,551,773)    |
| Internal service funds are used by management to charge the cost of certain activities, such as insurance and equipment maintenance and operations, to individual funds. The assets |                |
| and liabilities of the internal service funds must be added to the statement of net position.   | 2,394,073      |
| Net Position of Governmental Activities   | \$ 450,619,678 |

### Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances of Governmental Funds to the Government-Wide Statement of Activities - Governmental Activities For the Year Ended June 30, 2015

| Net Change in Fund Balances - Total Governmental Funds  | \$ 11,831,892             |
|---|---------------------------|
| Amounts reported for governmental activities in the statement of activities are different because:  |                           |
| Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.  |                           |
| Expenditures for capital outlay Less: current year depreciation   | 7,850,556<br>(14,243,681) |
| Various adjustments affecting capital assets (including capital contributions)  | 5,814,282                 |
| Governmental funds only report the disposal of assets to the extent proceeds are received from the sale. In the statement of activities, a gain or loss is reported for each disposal. This is the net cost of the capital assets disposal. Proceeds from the sale of capital assets was \$1,899,900.                                   | (55,302)                  |
| Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. Principal retirements | 880,524                   |
| Some revenues reported in the statement of activities will not be collected for several months after the City's year end and do not provide current financial resources and therefore are not reported as revenues in the governmental funds.  Change in unavailable revenue  | 31,556                    |
|   | 2 -,2 - 2                 |
| Certain changes in deferred outflows and deferred inflows of resources reported in the statement of activities relate to long-term liabilities and are not reported in the governmental funds.  |                           |
| Change in deferred outflows of resources related to pension   | 666,453                   |
| Change in deferred inflows of resources related to pension  | (2,707,663)               |
| Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.   |                           |
| Change in compensated absences payable  | (125,794)                 |
| Change in net OPEB obligation   | (675,101)                 |
| Change in net pension liability   | 2,501,519                 |
| Change in accrued interest payable  | 14,727                    |
| Amortization of bond discount   | (3,449)                   |
| Amortization of bond premium  | 841                       |
| Internal service funds are used by management to charge the cost of certain activities, such as insurance and equipment maintenance and operations, to individual funds. The net revenue  |                           |
| (expense) of certain internal service funds is reported with governmental activities.   | 574,399                   |
| Change in Net Position of Governmental Activities   | \$ 12,355,759             |

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## A. Reporting Entity

The City of Lincoln was incorporated in March 1878 under the laws and regulations of the State of California. The City operates under a City Manager - Council form of government and provides the following services: public safety (Police and Fire), highways and streets, water, sewer, sanitation, airport, culture-recreation, public improvements, planning and zoning, and general administrative services.

Generally accepted accounting principles require government financial statements to include the primary government and its component units. Component units of a governmental entity are legally separate entities for which the primary government is considered to be financially accountable and for which the nature and significance of their relationship with the primary government are such that exclusion would cause the combined financial statements to be misleading. The primary government is considered to be financially accountable if it appoints a majority of an organization's governing body and is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to or impose specific financial burdens on the primary government.

Reporting for component units on the City's financial statements can be blended or discretely presented. Blended component units are, although legally separate entities, in substance part of the City's operations and, therefore, data from these units are combined with data of the primary government. Discretely presented component units, on the other hand, would be reported in a separate column in the government-wide financial statements to emphasize it is legally separate from the government.

For financial reporting purposes, the City's basic financial statements include all financial activities that are controlled by or are dependent upon actions taken by the City Council. Separate financial statements for the Lincoln Public Financing Authority are not issued.

#### **Blended Component Units**

Lincoln Public Financing Authority - The Authority was formed by the execution of a Joint Powers Authority Agreement between the City of Lincoln and the former City of Lincoln Redevelopment Agency. The purpose of the Authority is to provide financing of public capital improvements through the acquisition, construction and improvement thereof by the Authority, or the loan of funds to the City or the Agency to enable the City or the Agency to provide for the acquisition construction and improvement of public capital improvements. The Authority is the lessor the City's Revenue Refunding Bonds Series 2000, Lease Revenue Refunding Bonds Series 2000, Lease Revenue Refunding Bonds Series 2003, Lease Revenue Bonds Series 2006, and the City of Lincoln Redevelopment Agency Tax Allocation Bonds Series 2004A and Housing Set Aside Tax Allocation Revenue Bonds Series 2004B and makes debt service payments on behalf of the City and the Successor Agency to the City of Lincoln Redevelopment Agency. The City Council is the governing body of the Authority and because its financial and operational relationship with the City is closely integrated, the Authority debt is reported as bonds payable in the governmental activities, business-type activities, Water enterprise fund, Wastewater Operations enterprise fund and Airport enterprise fund financial statements and long-term debt in the private purpose trust funds.

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## A. Reporting Entity (Continued)

## **Discretely Presented Component Units**

There are no component units of the City which meet the criteria for discrete presentation.

## **Joint Agencies**

The City is a participant in Northern California Cities Self-Insurance Fund (NCCSIF), the purpose of which is for member cities to share in the administrative costs of providing liability and workers' compensation insurance. The NCCSIF is governed by a board of directors appointed by the member cities. Complete financial information can be obtained from the Program Administrator, 600 Montgomery Street, 9<sup>th</sup> Floor, San Francisco, CA 94111. The City is not financially accountable for this organization and therefore it is not a component unit under Statement Nos. 14, 39, and 61 of the Governmental Accounting Standards Board.

#### **B.** Basis of Presentation

#### **Government-Wide Financial Statements**

The statement of net position and statement of activities display information on all of the nonfiduciary activities of the City, and its blended component units. These statements include the financial activities of the overall government, except for fiduciary activities. Eliminations have been made to minimize the double counting of internal activities. These statements distinguish between the governmental and business-type activities of the City. Governmental activities, which are normally supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees charged to external parties.

The statement of activities presents a comparison between direct expenses and program revenues for each different identifiable activity of the City's business-type activities and for each function of the City's governmental activities. Direct expenses are those that are specifically associated with a program or function and; therefore, are clearly identifiable to a particular function. Program revenues include 1) charges paid by the recipients of goods and services offered by the program, 2) operating grants and contributions, and 3) capital grants and contributions. Taxes and other items not properly included among program revenues are reported instead as general revenues.

## **Fund Financial Statements**

The fund financial statements provide information about the City's funds, including fiduciary funds and blended component units. Funds are organized into three major categories: governmental, proprietary, and fiduciary. The emphasis is placed on major funds within the governmental and proprietary categories; each is displayed in a separate column. All remaining governmental and enterprise funds are separately aggregated and reported as nonmajor funds

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## **B.** Basis of Presentation (Continued)

## **Fund Financial Statements (Continued)**

The City reports the following major governmental funds:

- The General fund is the primary operating fund of the City. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. For the City, the General fund includes such activities as public safety, culture and recreation services, public works and facilities, education, and economic development services.
- The Public Facility Element (PFE) Fee fund is a special revenue fund used to account for the fees collected from developers and community services fees for public facilities improvements including, but not limited to, police, fire, and City administration facilities. Funding comes primarily from developer fees and facility fees.
- The Water Connections fund is a special revenue fund used to account for water connection fees collected from developers and property owners that are required by the California Government Code to be expended for capacity expansion. Funding comes primarily from connection fees and investment earnings.
- The Federal Grants fund is a special revenue fund used to account for the grant revenues received from the federal government for capital projects.

The City reports the following major proprietary funds:

- The Water fund is an enterprise fund used to account for the activities of the water operating and non-operating funds of the City of Lincoln's Public Services Department. Activities include accounting for the Lincoln residents water use, water pipeline installation and repairs, and water meter installation and repairs.
- The Wastewater Operations fund is an enterprise fund used to account for the activities of the wastewater operating and non-operating funds of the City of Lincoln's Public Services Department. Activities include wastewater services and repair.
- The Solid Waste fund is an enterprise fund used to account for the activities of the solid waste operating and non-operating funds of the City of Lincoln's Public Services Department. Activities include accounting for the City of Lincoln's residents' solid waste (garbage) services.
- The Airport fund is an enterprise fund used to account for the activities of the publicly owned Lincoln Regional Airport. The airport was established in 1947 as a regional center for general and corporate aviation.

The City reports the following additional fund types:

• Permanent funds are used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for purposes that support the City's programs.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## **B.** Basis of Presentation (Continued)

## **Fund Financial Statements (Continued)**

- Internal Service funds account for the City's fleet maintenance and insurance programs and for the City's vehicle and equipment replacement program. These funds provide services to other departments on a cost reimbursement basis.
- The Private Purpose Trust funds account for property held under other trust arrangement under which principal and income benefit individuals, private organizations or other governments. Private purpose trust funds include the Successor Agency to the Redevelopment Agency of the City of Lincoln.
- The Agency funds account for resources held by the City as a trustee or an agent for individuals, private organizations, and other governmental entities. These resources include fees collected on behalf of bonded assessment districts, the Little League organization, preservation of the library, and for the purpose of preserving open space surrounding Markham Ravine area.

## C. Basis of Accounting and Measurement Focus

The government-wide and proprietary fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Nonexchange transactions, in which the City gives (or receives) value without directly receiving (or giving) equal value in exchange, include property and sales tax, grants, entitlements, and donations. Under the accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenues from sales tax are recognized when the underlying transactions take place. Revenues from grants, entitlements, and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. Property and sales taxes, interest, certain state and federal grants, and charges for services are considered susceptible to accrual and are accrued when their receipt occurs within sixty days after the end of the fiscal year. Expenditures are generally recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures as well as expenditures related to claims and judgments are recorded only when payment is due. General capital assets acquisitions are reported as expenditures in the various functions of the governmental funds. Proceeds of governmental long-term debt and acquisitions under capital leases are reported as other financing sources.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise and internal service funds are charges to customers for sales and services. Operating expenses for enterprise and internal service funds include the cost of sales and services, administrative expenses, and depreciation of capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## C. Basis of Accounting and Measurement Focus (Continued)

Fiduciary funds include trust funds and agency funds. All trust funds are reported using the economic resources measurement focus and the accrual basis of accounting. Agency funds are reported using the accrual basis of accounting to recognize receivables and payables.

#### D. Non-Current Governmental Assets/Liabilities

Non-current governmental assets and liabilities, such as capital assets and long-term liabilities, are reported in the governmental activities column in the government-wide statement of net position.

## E. Cash, Cash Equivalents, and Investments

The City pools cash and investments of all funds. Each fund's share in this pool is displayed in the accompanying financial statements as cash and investments. Interest from pooled investments is allocated to the various funds based on average balances of the funds entitled to receive interest. Interest is allocated on the basis of average month end cash balance amounts for each fund as a percentage of the total balance.

Investments are reported in the accompanying balance sheet at fair value which is determined using selected bases annually. Short term investments are reported at cost, which approximates fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Cash deposits are reported at carrying amount which reasonably estimates fair value. Managed funds not listed on an established market are reported at the estimated fair value as determined by the respective fund managers based on quoted sales prices of the underlying securities.

For purposes of the accompanying Statement of Cash Flows, the City considers all highly liquid investments, including restricted cash and investments, with original maturity of three months or less and amounts held in the City's investment pool to be cash and cash equivalents.

#### F. Restricted Cash and Investments

Restricted assets in the governmental funds represents cash and investments held in the Community Development Block Grant (CDBG) fund for loans and program income of \$498,615, Lincoln Public Financing Authority Series 2006-1 for debt reserve of \$944,575, Lincoln Public Financing Authority Series 2000 for debt reserve of \$324,864, Lincoln Public Financing Authority Series 2003 for debt reserve of \$720,500 in Capital Improvements fund for capital projects of \$3,683,458, in Twelve Bridges Capital Project fund for capital projects of \$10,545,230, in Lakeside CFD Improvement Area for capital projects of \$1,410,192, in Lincoln Crossing for capital projects of \$2,355,435, and in the Brookview Open Space Maintenance Trust for maintenance of \$16,255. Restricted assets in the proprietary funds represent cash and investments held in the Wastewater Operations fund for debt service of \$121,645. Restricted assets in the private purpose trust funds represents cash and investments held for debt service and capital projects of \$1,061,658. Restricted assets held in the agency funds represents cash and investments held for capital projects and debt service of \$15,833,227.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### G. Receivables

Receivables for governmental activities consist mainly of accounts, interest, taxes, and intergovernmental. Management records an allowance for doubtful accounts based on historical trends and the periodic aging of receivables. At June 30, 2015, the allowance for doubtful accounts was \$337,419.

Receivables for enterprise funds consist mainly of user fees and interest. Management records an allowance for doubtful accounts based on historical trends and the periodic aging of receivables. At June 30, 2015, the allowance for doubtful accounts was \$249,696.

## H. Due from Other Agencies

The following is a summary of amounts included in Due From Other Agencies as of June 30, 2015:

|   | Governmental Activities | Business-Type<br>Activities |  |
|---|-------------------------|-----------------------------|--|
| The Water Connections fund had amounts due from the following:<br>Former Redevelopment Agency     | \$ 4,067,312            | \$ -                        |  |
| The Wastewater Operations fund had amounts due from the following:<br>Former Redevelopment Agency | <del>-</del>            | 297,612                     |  |
| Total   | \$ 4,067,312            | \$ 297,612                  |  |

#### I. Loans Receivable

The following is a summary of the loans receivable outstanding as of June 30, 2015:

Revitalization and Rehabilitation Loan special revenue fund - The City has loaned funds to qualifying individuals. Interest rates vary depending on the terms of the loan. The balance at June 30, 2015 was \$13,542.

Community Development Block Grants (CDBG) special revenue fund - The City has received funding over the years from the California Department of Housing and Community Development for FHA Title 1 and other revolving loans. Notes were issued to borrowers for homebuyers, construction and housing rehabilitation. The notes are secured by first deeds of trust. The notes have various monthly installment amounts and due dates. Interest rates vary depending on the term of the loan. The balance at June 30, 2015 including accrued interest was \$536,541.

Home Investment Partnership Program special revenue fund - The City made various loans to qualifying participants within the City as part of the Federal First Time Homebuyers Program (HOME), which is an owner occupied housing program. Interest rates vary depending the terms of the loan. The notes receivable including accrued interest at June 30, 2015 were \$2,124,682.

Cal Home Grants special revenue fund - The City has made a loan to qualifying participants within the City. The interest rate for this loan is 3 percent. The balance at June 30, 2015 was \$599,316.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### J. Other Assets

#### **Inventory**

Governmental funds inventories are recorded as expenditures at the time inventory is purchased rather than when consumed. Records are not maintained of inventory and supplies on hand, although these amounts are not considered material.

Inventories of proprietary funds are stated at average cost. Inventory recorded by proprietary funds includes supplies for the airport. Proprietary fund inventories are recorded as expenses when consumed.

## **Prepaid Items**

Payments made for services that will benefit periods beyond June 30, 2015 are recorded as prepaid costs in both government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

## K. Capital Assets

Capital assets, including public domain (infrastructure such as roads, bridges, sidewalks, sewer, similar items), are defined by the City as an asset with a cost greater than \$5,000 and an estimated useful life of more than one year. Capital assets are recorded at historical or estimated historical cost if actual historical cost is unavailable. Contributed capital assets are recorded at their estimated fair market value at the date of donation.

Capital assets used in operations are depreciated or amortized using the straight-line method over the assets estimated useful life in the government-wide financial statements. The range of estimated useful lives by type of asset is as follows:

| Depreciable Asset       | Estimated Lives |
|-------------------------|-----------------|
| Building and structures | 20-50 years     |
| Machinery and equipment | 5-15 years      |
| Land improvements       | 20 years        |

Maintenance and repairs are charged to operations when incurred. Betterments and major improvements which significantly increase values, change capacities or extend useful lives are capitalized. Upon sale or retirement of capital assets, the cost and related accumulated depreciation are removed from the respective accounts and any resulting gain or loss is included in the results of operations.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## L. Property Tax

Placer County assesses properties, bills, collects, and distributes property taxes to the City. The County remits the entire amount levied and handles all delinquencies, retaining interest and penalties.

Property taxes are levied on a fiscal year (July 1 - June 30). The secured property tax assessments are due on November 1 and February 1 and become delinquent after December 10 and April 10, respectively. The unsecured property tax assessments are due on August 1 and become delinquent after August 31. Property taxes become a lien on the property effective January 1 of the preceding year.

The City recognizes property taxes when the individual installments are due provided they are collected within 60 days after year-end.

## M. Interfund Transactions

Interfund transactions are reflected as either loans, services provided or used, reimbursements or transfers.

Loans reported as receivables and payables are referred to as either "due to/from other funds" (i.e. the current portion of interfund loans) or "advances to/from other funds" (i.e., the noncurrent portion of interfund loans) as appropriate and are subject to elimination upon consolidation. Any residual balances outstanding between the governmental activities and the business-type activities are reported in the government-wide financial statements as "internal balances." Advances between funds, as reported in the fund financial statements, are offset by a nonspendable fund balance account in applicable governmental funds to indicate that they are not in spendable form.

Services provided or used, deemed to be at market or near market rates, are treated as revenues and expenditures or expenses. These services provide information on the net cost of each government function and therefore are not eliminated in the process of preparing the government-wide statement of activities.

Reimbursements occur when the funds responsible for particular expenditures or expenses repay the funds that initially paid for them. Such reimbursements are reflected as expenditures or expenses in the reimbursing fund and reductions to expenditures or expenses in the reimbursed fund.

All other interfund transactions are treated as transfers. Transfers between funds are netted as part of the reconciliation to the government-wide presentation.

## N. Unearned Revenue

Under the accrual and modified accrual basis of accounting, revenue may be recognized only when it is earned. When assets are recognized in connection with a transaction before the earnings process is complete, those assets are offset by a corresponding liability for unearned revenue.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## O. Compensated Absences

It is the City's policy to permit employees to accumulate earned but unused vacation and sick leave. Unused vacation and compensatory time off benefits are paid to employees upon termination. For employees with over five years continuous employment, unused sick leave benefits are paid ratably in accordance with the length of service upon termination. In the government-wide financial statements the accrued compensated absences is recorded as an expense and related liability, with the current portion estimated based on historical trends. In the governmental fund financial statements the expenditures and liabilities related to those obligations are recognized only when they mature. In the proprietary funds the accrued compensated absences is recorded as an expense and related liability in the year earned. The City includes its share of social security and medicare taxes payable on behalf of the employees in the accrual for compensated absences.

#### P. Pensions

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City's California Public Employees' Retirement System (CalPERS) plans (Plans) and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

## O. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has one item which qualifies for reporting in this category. This item relates to the pension adjustments and is reportable on the Statement of Net Pension.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time. The government has two types of items which qualify for reporting in this category. One item, unavailable revenue, is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues for receivables that have not been received within the modified accrual period. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The other item relates to the pension adjustments and is reportable on the Statement of Net Position.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### R. Estimates

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## S. Implementation of Governmental Accounting Standards Board Statements (GASB)

The following Governmental Accounting Standards Board (GASB) Statements have been implemented, if applicable to the City of Lincoln, in the current financial statements.

**Statement No. 68,** Accounting and Financial Reporting for Pensions. This statement improves accounting and financial reporting by state and local governments for pensions. It also improves information provided by state and local governmental employers about financial support for pensions that is provided by other entities.

**Statement No. 69**, Government Combinations and Disposals of Government Operations. This statement establishes accounting and financial reporting standards related to government combinations and disposals of government operations.

**Statement No. 71**, Pension Transition for Contributions Made Subsequent to the Measurement Date. An Amendment of GASB Statement No. 68. This statement addresses an issue regarding application of the transition provisions of Statement No. 68.

# NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

## A. Restatement of Net Position/Fund Balance

Adjustments resulting from errors or a change to comply with provisions of the accounting standards are treated as adjustments to prior periods. Accordingly, the City reports these changes as restatements of beginning net position/fund balance. During the current year the City determined that ten agency funds would be more correctly classified as capital project funds. In addition, during the current year a prior period adjustment was made to reflect the prior period costs related to implementing the net pension liability as required by GASB Statement No. 68.

The impact of the restatements on the net position on the government-wide financial statements as previously reported is presented below:

|   | Governmental Activities | Business-Type Activities |
|---|-------------------------|--------------------------|
| Net Position, June 30, 2014, as previously reported | \$ 430,188,419          | \$ 381,997,138           |
| Adjustment associated with:                         |                         |                          |
| Correction of classification of funds               | 18,897,709              | -                        |
| Net pension liability adjustment                    | (10,822,209)            | (3,802,349)              |
| Total Adjustments                                   | 8,075,500               | (3,802,349)              |
| Net Position, July 1, 2014, as restated             | \$ 438,263,919          | \$ 378,194,789           |

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY) (CONTINUED)

## A. Restatement of Net Position/Fund Balance (Continued)

The impact of the restatements on the fund balance on the fund financial statements as previously reported is presented below:

|  | Other<br>Governmental<br><u>Funds</u> |
|--|---------------------------------------|
| Fund Balance, June 30, 2014, as previously reported                | \$ 35,354,189                         |
| Adjustment associated with:  Correction of classification of funds | 18,897,709                            |
| Total Adjustments  | 18,897,709                            |
| Fund Balance, July 1, 2014, as restated                            | <u>\$ 54,251,898</u>                  |

The impact of the restatements on the net position on the proprietary fund financial statements as previously reported is presented below:

|   | Water                 | Wastewater<br>Operations | Solid<br>Waste       | Airport               | Other<br>Enterprise<br>Funds |

| Adjustment associated with:<br>Net Pension Liability Adjustment | (1,170,856)           | 808,753                  | (_1,282,642)         | (_279,335)            | (260,763)                    |
| Total Adjustments   | (1,170,856)           | (808,753)                | (1,282,642)          | (_279,335)            | (260,763)                    |
| Net Position, July 1, 2014, as restated                         | <u>\$ 174,848,255</u> | <u>\$ 190,700,374</u>    | <u>\$ 12,245,830</u> | ( <u>\$ 494,618</u> ) | <u>\$ 894,948</u>            |

## **B.** Deficit Fund Balance/Unrestricted Net Position

The following major special revenue funds had deficit fund balances:

Public Facility Element (PFE) - This fund, whose primary revenue source is development impact fees, have a negative fund balance of \$6,739,593 because of funding infrastructure projects, public facilities and parks. These facilities were constructed during a significant growth period in the City, and as the economy slowed and development stopped, revenue into these funds was not sufficient to repay the cost of the projects that had been constructed. As the economy recovers over time and new development increases, it is anticipated that fees collected will be utilized to eliminate the negative balance in this fund.

Federal Grants - This fund, whose primary source of revenue is federal grants, had a negative fund balance of \$1,525,899, which is expected to be eliminated in future years through grant revenues.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 2: STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY) (CONTINUED)

## B. Deficit Fund Balance/Unrestricted Net Position (Continued)

The following major enterprise fund had a deficit unrestricted net position:

Airport fund - This fund has a negative net position of \$812,127 and an unrestricted net position deficit of \$5,549,544. This fund does not have an immediate revenue source to cover this negative amount. The unrestricted net position deficit is due to airport revenue generating activities such as fuel sales, tie downs, and hangar rentals which have not kept up with operating expenses and capital improvement costs.

## C. Rebatable Arbitrage

The Tax Reform act of 1986 instituted certain arbitrage restrictions with respect to the issuance of tax-exempt bonds after August 31, 1986. Arbitrage regulations deal with the investment of all tax exempt bond proceeds at as interest yield greater than the interest yield paid to bondholders. Generally, all interest paid to bondholders can be retroactively rendered taxable if applicable rebates are not reported and paid to the Internal Revenue Service (IRS) at least every five years. The City does not expect to incur a liability for rebatable arbitrage at June 30, 2015.

#### NOTE 3: CASH AND INVESTMENTS

Total Cash and Investments

#### A. Financial Statement Presentation

As of June 30, 2015, the City's cash and investments are reported in the financial statements as follows:

| Governmental activities    | \$ 88,171,513 |
|----------------------------|---------------|
| Business type activities   | 45,233,016    |
| Fiduciary funds            | 40,208,230    |
| Total Cash and Investments | \$173,612,759 |

As of June 30, 2015, the City's cash and investments consisted of the following:

| Cash:                              |             |
|------------------------------------|-------------|
| Cash on hand                       | \$ 2,185    |
| Deposits (less outstanding checks) | 6,466,464   |
| Deposits with fiscal agents        | 37,995,093  |
| Total Cash                         | 44,463,742  |
| Investments:                       |             |
| In City's pool                     | 129,149,017 |
| Total Investments                  | 129,149,017 |

\$173,612,759

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 3: CASH AND INVESTMENTS (CONTINUED)

#### B. Cash

At year end, the carrying amount of the City's cash deposits (including amount in checking accounts and money market accounts) was \$44,461,557 and the bank balance was \$44,189,338. The difference between the bank balance and the carrying amount represents outstanding checks and deposits in transit. In addition the City had cash on hand of \$2,185.

Custodial Credit Risk for Deposits - Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, the City will not be able to recover its deposits or collateral securities that are in the possession of an outside party. The City's investment policy requires that deposits in banks must meet the requirements of California Government Code. Under this code, deposits of more than \$250,000 must be collateralized at 105 percent to 150 percent of the value of the deposit to guarantee the safety of the public funds. The first \$250,000 of the City's deposits are insured by the Federal Deposit Insurance Corporation (FDIC). Deposits more than the \$250,000 insured amount are collateralized.

## C. Investments

Pursuant to Section 53646 of the Government Code, the City prepares an investment policy annually and presents it to the City Council for review and approval.

The investment policy provides the basis for the management of a prudent, conservative investment program. Funds are invested to provide the maximum security of principal with secondary emphasis on achieving the highest return, while meeting daily cash flow needs. All investments are made in accordance with the Government Code and, in general, the investment policy is more restrictive than state law. Under the provisions of the City's investment policy the City may invest or deposit in the following:

Banker's Acceptances
Commercial Paper
Local Agency Investment Fund (LAIF)
Mutual Funds
Medium Term Corporate Notes
Money Market Funds
Negotiable Certificates of Deposit
Repurchase Agreements/Reverse Repurchase Agreements
Securities of the Federal Government or its Agencies
Time Certificates of Deposit

Interest Rate Risk - Interest rate risk is the risk of loss due to the fair value of an investment falling due to interest rates rising. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. To limit exposure to fair value losses resulting from increases in interest rates, the City's investment policy limits investment maturities to a term appropriate to the need for funds so as to permit the City to meet all projected obligations. Any investments that mature more than five years from the date of purchase cannot occur without prior approval of the City Council.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

# NOTE 3: CASH AND INVESTMENTS (CONTINUED)

# C. Investments (Continued)

As of June 30, 2015, the City had the following investments, all of which had a maturity of 5 years or less:

|                                     |                   | Maturities    |               |               |                                   |
|-------------------------------------|-------------------|---------------|---------------|---------------|-----------------------------------|
| Investment Type                     | Interest<br>Rates | 0-1 year      | 1-5 years     | Fair<br>Value | Weighted Average Maturity (Years) |
| US Treasuries                       | 1.00-3.625%       | \$ -          | \$ 15,693,071 | \$ 15,693,071 | 4.05                              |
| Government Agency Securities        | 0.65-6.95%        | 4,450,542     | 40,273,674    | 44,724,216    | 2.64                              |
| Corporate Bonds                     | 0.00-6.95%        | 4,470,617     | 32,548,746    | 37,019,363    | 2.85                              |

| Total                               |                   | \$ 39,306,085 | \$ 89,842,932 | \$129,149,017 | 2.24                              |

Credit Risk - Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The City's investment policy sets specific parameters by type of investment to be met at the time of purchase. Presented below is the minimum rating required by (where applicable) the California Government Code or the City's investment policy, and the actual rating as of year end for each investment type.

<sup>(1)</sup> Investment in Lehman Brothers. Corporation filed for bankruptcy in 2008 and rating was withdrawn. This investment matures January 24, 2013. The face value is \$1,000,000 and the estimated fair value is \$113,750.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 3: CASH AND INVESTMENTS (CONTINUED)

## C. Investments (Continued)

Custodial Credit Risk for Investments - Custodial credit risk for investments is the risk that, in the event of the failure of a depository financial institution, the City will not be able to recover its deposits or collateral securities that are in the possession of an outside party. To mitigate the custodial credit risk the City's investment policy requires that all of its managed investments shall be held in the name of the City in safekeeping by a third party bank trust department. Custodial credit risk does not apply to a local government's indirect investments in securities through use of mutual funds or government investment pools.

Concentration of Credit Risk - Concentration of credit risk is the risk of loss attributed to the magnitude of the City's investment in a single issuer of securities. When investments are concentrated in one issuer, this concentration presents a heightened risk of potential loss. The City's investment policy contains limitations on the amount that can be invested in any one issuer. Investments in any one issuer (other than U.S. Treasury securities, mutual funds, and external investment pools) at June 30, 2015, that represent 5 percent or more of total City investments are as follows:

|                                       |                 | Percentage     |
|---------------------------------------|-----------------|----------------|
| Investment Type                       | Amount Invested | of Investments |
| Federal Home Loan Mortgage            | \$ 9,208,362    | 6.99%          |
| Federal Home Loan Bank                | 9,021,352       | 7.13%          |
| Federal National Mortgage Association | 22,452,488      | 17.38%         |

## **D.** Investment in External Investment Pools

Investment in Local Agency Investment Fund - The City of Lincoln is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code and is managed by the Treasurer of the State of California. The Local Investment Advisory Board (LAIF Board) has oversight responsibility for LAIF. The LAIF Board consists of five members as designated by State statute. Investments in LAIF are available on demand and are stated at amortized cost, which approximates fair value. The fair value of the City's position in the pool is the same as the value of the pooled shares. At June 30, 2015 the City's investment position in LAIF was \$29,668,266. The total amount invested by all public agencies in LAIF on that day was \$69,606,487,716. Of that amount, 97.92% is invested in non-derivative financial products and 2.08% in structured notes and asset-backed securities.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 4: CAPITAL ASSETS (CONTINUED)

## **Depreciation (Continued)**

Depreciation expense was charged to the business-type functions as follows:

| Water  | \$<br>2,940,891 |
|--|-----------------|
| Wastewater Operations                                | 4,684,897       |
| Solid Waste  | 242,193         |
| Airport  | 230,664         |
| Transit  | <br>56,859      |
| Total Depreciation Expense – Business-Type Functions | \$<br>8,155,504 |

## **Construction in Progress**

Construction in progress for governmental activities relates primarily to work performed on street reconstruction, civic auditorium/cultural arts center, water wells and water storage tanks.

Construction in progress for business-type activities relates primarily to work performed on water wells, water storage tanks, wastewater improvements and airport arrival and departure building.

## NOTE 5: INTERFUND TRANSACTIONS

#### **Due To/From Other Funds**

During the course of operations, transactions occur between funds to account for goods received or services rendered. These receivables and payables are classified as due from or due to other funds. In addition, when funds overdraw their share of pooled cash, the receivables and payables are also classified as due from or due to other funds. The following are due to and due from balances as of June 30, 2015:

|                               | Due From<br>Other Funds | Due To Other Funds |  |
|-------------------------------|-------------------------|--------------------|--|
| General Fund                  | \$ -                    | \$ 77,307          |  |
| Public Facility Element (PFE) | 531,756                 | 9,106,801          |  |
| Water Connections             | 16,461,644              | -                  |  |
| Federal Grants                | -                       | 2,325,846          |  |
| Nonmajor Governmental Funds   | 317,280                 | 7,162              |  |
| Wastewater Operations         | 6,763                   | 836,333            |  |
| Solid Waste                   | 250,399                 | -                  |  |
| Airport                       | -                       | 5,214,393          |  |
| Private Purpose Trust Funds   | 14,930                  | 14,930             |  |
| Total                         | <u>\$ 17,582,772</u>    | \$ 17,582,772      |  |

The PFE special revenue fund and the airport enterprise fund have balances due to other funds for which they have not demonstrated the ability to repay within one year of the financial statement date.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 5: INTERFUND TRANSACTIONS (CONTINUED)

## **Due To/From Other Funds (Continued)**

The liability in the PFE fund is due to expenditures incurred in prior years for the construction of various general infrastructure projects of the City. Developer fees and other revenue sources were not sufficient to pay for these projects.

The liability in the Airport fund is due to expenses incurred for capital assets such as the airport hangars and general operating costs. Operating revenues such as fuel sales, tie downs and lease revenue are not sufficient to fund the general operating costs of the airport operation.

## **Advances To/From Other Funds**

Advances to/from other funds are non-current interfund loans and are offset by a nonspendable fund balance account in applicable governmental funds to indicate they are not in spendable form. The following are advances to/from other funds as of June 30, 2015:

|                               | Advances To Other Funds | Advances From Other Funds |  |  |
|-------------------------------|-------------------------|---------------------------|--|--|
| Public Facility Element (PFE) | \$ 3,352,000            | \$ 9,788,200              |  |  |
| Water Connections             | 4,358,242               | -                         |  |  |
| Nonmajor Governmental Funds   | 2,000,000               | -                         |  |  |
| Wastewater Operations         | -                       | 4,358,242                 |  |  |
| Solid Waste                   | 4,436,200               | -                         |  |  |
| Private Purpose Trust Funds   | 871,819                 | 871,819                   |  |  |
| Total                         | <u>\$ 15,018,261</u>    | \$ 15,018,261             |  |  |

The advances to the PFE fund were made to finance the construction of a fire station, the public works building, regional park and regional retention facility. These loans accrue interest at LAIF rates. The loans are due in fiscal years ending 2016, 2017, and 2018.

The advance to the Wastewater Operations fund was made to pay obligations due to the Water Connections fund. This loan accrues interest at LAIF rates. The loan is due in fiscal year ending 2015.

The advance to and from the Private Purpose Trust funds was made by the Low/Moderate Income Housing fund to the Redevelopment Agency.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

# NOTE 5: INTERFUND TRANSACTIONS (CONTINUED)

## **Transfers**

Transfers are indicative of funding for capital projects, lease payments or debt service, subsidies of various City operation and re-allocations of special revenues. The following are the interfund transfers for fiscal year ended June 30, 2015:

| , unic 50, 2015.              | Transfer<br>In |             | Transfer<br>Out |
|-------------------------------|----------------|-------------|-----------------|

<sup>\*</sup>In accordance with GASB 68, the net pension liability is recorded as a prior period adjustment of net pension. The adjustment to long-term liabilities is the total adjustment less the adjustments to deferred outflows and deferred inflows.

Compensated absences for governmental activities are generally liquidated by the fund where the accrued liability occurred. The net other postemployment benefit obligation and net pension liability for the governmental activities is generally liquidated by the fund where the accrued liability occurred.

Individual issues of debt payable outstanding at June 30, 2015, are as follows:

#### **Governmental Activities**

Bonds:

Lincoln Public Financing Authority Revenue Refunding Bonds Series 2000 issued December 2000, in the total amount of \$12,275,000. of which \$2,300,000 is considered a liability of the governmental activities and is payable in annual installments of \$20,000 to \$130,000 with an interest rate of 4.25% to 5.90% and maturity on September 15, 2017. The bonds were used to finance certain public capital improvements.

\$ 115,000

Lincoln Public Financing Authority Lease Revenue Refunding Bonds (City Facilities Project) Series 2003 issued July 2003, in the amount of \$10,560,000 and payable in annual installments of \$295,000 to \$685,000 with an interest rate of 2.50% to 5.00% and maturity on August 1, 2028. The bonds were used to fund the acquisition and construction of a new public safety facility.

7,145,000

## NOTE 8: LEASES

# **Operating Leases**

The City is committed under various cancellable and noncancellable operating leases for building and office space. Operating leases do not give rise to property rights or lease obligations and, therefore, the results of the lease agreements are not reflected in the City's government-wide financial statements.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

# NOTE 8: LEASES (CONTINUED)

# **Capital Leases**

The City has entered into certain capital lease agreements under which the related equipment will become the property of the City when all terms of the lease agreements are met.

|                          |               | Present Value |
|--------------------------|---------------|---------------|
|                          |               | Of remaining  |
|                          | Stated        | Payments at   |

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

#### **NOTE 9: POSTCLOSURE**

The City of Lincoln has postclosure responsibility for one landfill site. State and federal laws and regulations require the City to place a final cover over its closed landfill and perform certain maintenance and monitoring functions at the landfill site for thirty years following its closure. Closure procedures have been performed and postclosure activity is recorded in the Solid Waste enterprise fund. The estimated liability for postclosure care costs is estimated to be \$1,105,681 as of June 30, 2015. The estimate of post-closure care costs is based on the amount that would be paid if all equipment, facilities, and services required to monitor and maintain the landfill were acquired as of June 30, 2015. However, the actual costs may be higher due to inflation, changes in technology, or changes in landfill laws and regulations.

The City is required by state and federal laws and regulations to make annual contributions to finance postclosure care costs. The costs of these procedures is funded on a pay as you go basis. The City has not adopted a pledge of revenue to fund these costs. The estimated postclosure maintenance costs and any additional costs that might arise from changes in postclosure requirements (due to changes in technology or more rigorous environment regulations) may need to be covered by an increase in the rate of the franchise surcharge assessed against refuse collection fees.

#### NOTE 10: NET POSITION

The government-wide and proprietary fund financial statements utilize a net position presentation. Net position is categorized as net investment in capital assets, restricted, and unrestricted.

- **Net investment in capital assets** Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- **Restricted net position** Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.
- **Unrestricted net position** All other net position that does not meet the definition of "restricted" or "net investment in capital assets".

## Net Position Restricted by Enabling Legislation

The government-wide Statement of Net Position reports \$119,618,434 of restricted net position, of which \$19,731,359 is restricted by enabling legislation.

## **Net Position Flow Assumption**

When a government funds outlays for a particular purpose from both restricted and unrestricted resources, a flow assumption must be made about the order in which the resources are considered to be applied. When both restricted and unrestricted net position is available, it is considered that restricted resources are used first, followed by the unrestricted resources.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

#### NOTE 11: FUND BALANCES

As prescribed by GASB Statement No. 54, governmental funds report fund balance in classifications based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in the funds can be spent. As of June 30, 2015, fund balance for governmental funds are made up of the following:

- Nonspendable fund balance amounts that cannot be spent because they are either (a) not in spendable form, or (b) legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash, for example: inventories and prepaid amounts.
- **Restricted fund balance** amounts with constraints placed on their use that are either (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation. Restrictions may effectively be changed or lifted with consent of resource providers.
- Committed fund balance amounts that can only be used for the specific purposes determined by formal action of the City's highest level of decision-making authority. The City Council is the highest level of decision making authority for the City that can, by adoption of an ordinance commit fund balance. Once adopted, the limitation imposed remains in place until a similar action is taken to remove or revise the limitation. The underlying action that imposed the limitation needs to occur no later than the close of the reporting period.
- **Assigned fund balance** amounts that are constrained by the City's intent to be used for specific purposes. The intent can be established at either the highest level of decision-making, or by a body or an official designated for that purpose.
- Unassigned fund balance the residual classification for the City's General fund that includes all amounts not contained in the other classifications. In other funds, the unassigned classification is used only if expenditures incurred for specific purposes exceed the amounts restricted, committed, or assigned to those purposes.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

# NOTE 11: FUND BALANCES (CONTINUED)

The fund balances for all major and nonmajor governmental funds as of June 30, 2015, were distributed as follows:

| Due from other agencies   S  | Nonspendable                 | General   | Public<br>Facility<br>Element<br>(PFE) | Water<br>Connections | Federal<br>Grants | Other<br>Govern-<br>mental<br>Funds | Total         |
|--|------------------------------|-----------|--|----------------------|-------------------|-------------------------------------|---------------|

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 11: FUND BALANCES (CONTINUED)

## **Fund Balance Flow Assumption**

When a government funds outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance), a flow assumption must be made about the order in which the resources are considered to be applied. When both restricted and unrestricted fund balance is available, it is considered that restricted fund balance is depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

## **Fund Balance Policy**

The City Council has adopted a fund balance policy for financial statement reporting for the General fund. The policy establishes procedures for reporting fund balance classifications, establishes prudent reserve requirements and establishes a hierarchy of fund balance expenditures. The policy also provides for the City to establish and maintain a minimum committed unrestricted fund balance (catastrophic reserve) in the General fund equal to \$2 million or two months of annual expenditures whichever is greater and a minimum committed unrestricted fund balance (economic reserve) in the General fund equal to 15% of annual expenditures.

#### **NOTE 12: PENSION PLANS**

#### A. General Information about the Pension Plans

## **Plan Descriptions**

All qualified permanent and probationary employees are eligible to participate in the City's separate Safety and Miscellaneous (all other) Employee Pension Plans, cost-sharing multiple employer defined benefit pension plans administered by the California Public Employees' Retirement System (CalPERS). Benefit provisions under the Plans are established by State statute and City resolution. CalPERS issues publicly available reports that include a full description of the pension plans regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website.

Effective January 1, 2013, the City added retirement tiers for both Miscellaneous and Safety Plans for new employees as required under the Public Employee Pension Reform Act (PEPRA). New employees hired on or after January 1, 2013 will be subject to new, lower pension formulas, caps on pensionable income levels and new definitions of pensionable income. In addition, new employees will be required to contribute half of the total normal cost of the pension benefit unless impaired by an existing Memorandum of Understanding. The cumulative effect of these PEPRA changes will ultimately reduce the City's retirement costs.

## **NOTE 12: PENSION PLANS (CONTINUED)**

## A. General Information about the Pension Plans (Continued)

#### **Summary of Plans and Eligible Participants**

Open for New Enrollment

Miscellaneous PEPRA Miscellaneous members hired on or after January 1, 2013

Closed to New Enrollment

Miscellaneous First Tier Miscellaneous members hired before February 13, 2011 Miscellaneous Second Tier Miscellaneous members hired after February 13, 2011 and

before January 1, 2013

Safety First Tier Safety employees hired before January 1, 2013

#### **Benefits Provided**

CalPers provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits. Retirement benefits are paid monthly for life. All members are eligible for non-duty disability benefits after 10 years of service. The death benefit is one of the following: the Basic Death Benefit, the 1957 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

Each Plans' specific provisions and benefits in effect at June 30, 2015, are summarized as follows:

|                           |           |            | Monthly Benefits      |
|---------------------------|-----------|------------|-----------------------|
|                           | Benefit   | Retirement | As a % of             |
|                           | Formula   | Age        | Eligible Compensation |
| Miscellaneous First Tier  | 2.7% @ 55 | 50-55      | 2.000% to 2.700%      |
| Miscellaneous Second Tier | 2.0% @ 60 | 50-60      | 1.092% to 2.418%      |
| Miscellaneous PEPRA       | 2.0% @ 62 | 52-62      | 1.000% to 2.500%      |
| Safety                    | 3.0% @ 50 | 50         | 3.000%                |
| Safety PEPRA              | 2.7% @ 57 | 50-57      | 2.000% to 2.700%      |

#### **Contributions**

Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for all Plans are determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The City is required to contribute the difference between the actuarially determined rate and the contribution rate of employees.

| Safety First Tier         |           | 1,010,575      |              | -           |

# **B.** Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions

The City's net pension liability for each Plan is measured as the proportionate share of the net pension liability. The net pension liability of each of the Plans is measured as of June 30, 2014, and the total pension liability for each Plan used to calculate the net pension liability was determined by actuarial valuation as of June 30, 2013 rolled forward to June 30, 2014 using standard update procedures. The City's proportion of the net pension liability was based on a projection of the City's long-term share of contributions to the pension plans relative to the projected contributions of all participating employers, actuarially determined. The City's proportionate share of the net pension liability for each Plan as of June 30, 2013 and 2014 was as follows:

|                           | Proportion    | Proportion   | Change -            |
|---------------------------|---------------|--------------|---------------------|
|                           | June 30, 2013 | June 30,2014 | Increase (Decrease) |
| Miscellaneous First Tier  | .13236%       | .13990%      | .00754 %            |
| Miscellaneous Second Tier | .00035%       | .00033%      | (.00002)%           |
| Miscellaneous PEPRA       | .00000%       | .00000%      | .00000 %            |
| Safety First Tier         | .07433%       | .07528%      | .00095 %            |

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## **NOTE 12: PENSION PLANS (CONTINUED)**

# B. Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)

As of June 30, 2015, the City reported net pension liabilities for its proportionate share os the net pension liability of each Plan as follows:

|                             | Proportionate<br>Share of Net<br><u>Pension Liability</u> |
|-----------------------------|---|
| Miscellaneous First Tier    | \$ 8,705,517  |
| Miscellaneous Second Tier   | 20,703  |
| Miscellaneous PEPRA         | 19  |
| Safety First Tier           | 4,684,520   |
| Total Net Pension Liability | <u>\$ 13,410,759</u>                                      |

For the year ended June 30, 2015, the City recognized pension expense of \$1,550,223. At June 30, 2015, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

|   |           | rred Outflows<br>f Resources |             | erred Inflows of Resources |
|---|-----------|------------------------------|-------------|----------------------------|
| Pension contributions subsequent to measurement date    | \$        | 2,175,731                    | \$          | -                          |
| Differences between projected and actual earnings on    |           |                              |             |                            |

| Adjustment due to differences in proportions            |           | <u> </u>                     | (           | 347,862)                   |
| Total   | <u>\$</u> | 2,753,383                    | ( <u>\$</u> | 3,547,976)                 |

\$2,175,731 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

| Year Ended June 30 |                       |
|--------------------|-----------------------|
| 2016               | (\$ 717,962)          |
| 2017               | (717,962)             |
| 2018               | (734,376)             |
| 2019               | ( 800,024)            |
| Thereafter         |                       |
| Total              | <u>(\$ 2,970,324)</u> |

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## **NOTE 12: PENSION PLANS (CONTINUED)**

# B. Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)

## **Actuarial Assumptions**

The total pension liabilities in the June 30, 2013 actuarial valuations were determined using the following actuarial assumptions:

| Valuation Date            | June 30, 2013                |
|---------------------------|------------------------------|
| Measurement Date          | June 30, 2014                |
| Actuarial Cost Method     | Entry-Age Normal Cost Method |
| Actuarial Assumptions:    |                              |
| Discount Rate             | 7.50%                        |
| Inflation                 | 2.75%                        |
| Payroll Growth            | 2.75%                        |
| Projected Salary Increase | (1)                          |
| Investment Rate of Return | 7.50%(2)                     |
| Mortality                 | (3)                          |

- (1) Depending on age, service, and type of employment
- (2) Net of pension plan investment and administrative expenses, including inflation
- (3) Derived using CalPERS membership data for all funds

The underlying mortality assumptions and all other actuarial assumptions used in the June 30, 2013 valuation were based on the results of January 2014 actuarial experience study for the period 1997 to 2011. Further details of the Experience Study can be found on the CalPERS website.

## **Discount Rate**

The discount rate used to measure the total pension liability was 7.50% for each Plan. To determine whether the municipal bond rate should be used in the calculation of a discount rate for each plan, CalPERS stress tested plans that would most likely result in a discount rate that would be different from the actuarially assumed discount rate. Based on the testing, none of the tested plans run out of assets. Therefore, the current 7.50% discount rate is adequate and the use of the municipal bond rate calculation is not necessary. The long term expected discount rate of 7.50% is applied to all plans in the Public Employees Retirement Fund (PERF). The stress test results are presented in a detailed report called "GASB Crossover Testing Report" that can be obtained at the CalPERS we4bsited under the GASB 68 section.

According to Paragraph 30 of Statement 68, the long-term discount rate should be determined without reduction of pension plan administrative expense. The 7.50% investment return assumption used in this accounting valuation is net of administrative expenses. Administrative expenses are assumed to be 15 basis points. An investment return excluding administrative expenses would have been 7.65%. Using this lower discount rate has resulted in a slightly higher Total Pension Liability and Net Pension Liability. CalPERS checked the materiality threshold for the difference in calculation and did not find it to be a material difference.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## **NOTE 12: PENSION PLANS (CONTINUED)**

# B. Pension Liabilities, Pension Expenses and Deferred Outflows/Inflows of Resources Related to Pensions (Continued)

#### **Discount Rate (Continued)**

CalPERS is scheduled to review all actuarial assumptions as part of its regular Asset Liability Management (ALM) review cycle that is schedule to be completed in February 2018. Any changes to the discount rate will require Board action and proper stakeholder outreach For these reasons, CalPERS expects to continue using a discount rate net of administrative expenses for GASB 67 and 68 calculations through at least the 2017-18 fiscal year. CalPERS will continue to check the materiality of the difference in calculation until such time as we have changed our methodology.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimated ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical returns of all the funds' asset classes, expected compound returns were calculated over the short-term (first 10 years) and the long term (11-60 years) using a building block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equivalent to the single equivalent rate calculated above and rounded down to the nearest one quarter of one percent.

The table below reflects the long-term expected real rate of return by asset class. The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation. These rates of return are net of administrative expenses.

|                                | New        |               |                     |
|--------------------------------|------------|---------------|---------------------|
|                                | Strategic  | Real Return   | Real Return         |
| Asset Class                    | Allocation | Years 1-10(a) | <u>Years 11+(b)</u> |
| Global Equity                  | 47.0%      | 5.25%         | 5.71%               |
| Global Fixed Income            | 19.0%      | 0.99%         | 2.43%               |
| Inflation Sensitive            | 6.0%       | 0.45%         | 3.36%               |
| Private Equity                 | 12.0%      | 6.83%         | 6.95%               |
| Real Estate                    | 11.0%      | 4.50%         | 5.13%               |
| Infrastructure and Forest land | 3.0%       | 4.50%         | 5.09%               |
| Liquidity                      | 2.0%       | -0.55%        | -1.05%              |
| Total                          | 100%       |               |                     |

- (a) An expected inflation of 2.5% used for this period
- (b) An expected inflation of 3.0% used for this period

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## **NOTE 12: PENSION PLANS (CONTINUED)**

## Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the City's proportionate share of the net pension liability for each Plan as of the measurement date, calculated using the discount rate for each Plan, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower or 1-percentage point higher than the current rate:

|                           | 1%           | Discount    | 1%          |
|---------------------------|--------------|-------------|-------------|
|                           | Decrease     | Rate        | Increase    |
|                           | 6.50%        | 7.50%       | 8.50%       |
| Miscellaneous First Tier  | \$13,628,350 | \$8,705,517 | \$4,620,032 |
| Miscellaneous Second Tier | 36,886       | 20,703      | 7,272       |
| Miscellaneous PEPRA       | 34           | 19          | 7           |
| Safety First Tier         | 7,726,755    | 4,684,520   | 2,177,849   |

# **Pension Plan Fiduciary Net Position**

Detailed information about each pension plan's fiduciary net position is available in the separately issued CalPERS financial reports.

## C. Payable to the Pension Plan

At June 30, 2015, the City reported a payable of \$0 for the outstanding amount of contributions to the pension plan required for the year ended June 30, 2015.

## NOTE 13: OTHER POSTEMPLOYMENT BENEFITS (OPEB)

#### A. Plan Description

The City administers a single employer defined benefit other postemployment healthcare (OPEB) plan providing health plan coverage to eligible retired employees and their eligible dependents. The City maintains the same medical plans for its retirees as for its active employees. All regular City employees hired prior to January 1, 1998 are entitled to 100% medical coverage, paid by the City, upon retirement from the City and from CalPERS. Employees hired after January 1, 1998 are eligible for retiree medical health benefits as defined in the California Public Employees Retirement Law, tiered system. The tiered system requires that an employee be vested (5 years at the City of Lincoln) and have a minimum total of 10 years of service in a CalPERS agency, be 50 years of age and retire out of CalPERS within 120 days of retiring from the City. The amount the City pays for their medical health benefit is dependent upon their years of credited service at retirement. On July 10, 2012, the Council adopted a resolution authorizing the City Manager to establish a Futuris Public Entity Investment Trust and a Retirement Board of Authority (BOA). The BOA is made up of the City Manager, the Assistant City Manager/Chief Financial Officer and the members of the City of Lincoln Finance Committee. The BOA has delegated authority of the newly created OPEB trust to Benefit Trust Company (BTC) per the Futuris Trust Administrative Services Agreement.

Upon signing the agreement, BTC has been deemed to have accepted the Trust and during the term of this agreement, BTC further agreed to serve as a discretionary trustee, with fiduciary oversight and authority over the operations and management of the Trust.

# Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 13: OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

## **B.** Funding Policy

The contribution requirements of plan members and the City are established and may be amended by the City Council. The required contribution is based on projected pay-as-you-go financing requirements. For the year ended June 30, 2015, the City contributed \$470,973 to the plan, which represents 43.2% of the cost of current year premiums for eligible retired plan members and their spouses.

## C. Annual OPEB Cost and Net OPEB Obligation

The City's annual other postemployment benefits (OPEB) cost is calculated based on the annual required contribution (ARC) an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year. The City elected to prepay the unfunded actuarial liability.

The following table shows the components of the City's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the City's net OPEB obligation to the Retiree Health Plan.

| Annual required contribution               | \$ | 1,132,563 |
|--|----|-----------|
| Interest on net OPEB Obligation            |    | 284,804   |
| Adjustment to Annual Required Contribution | (_ | 327,876)  |
| Annual OPEB Cost                           |    | 1,089,491 |
| Contributions made:                        |    |           |
| Pay as you go contribution                 | (_ | 470,973)  |
| Increase (decrease) in Net OPEB Obligation |    | 618,518   |
| Net OPEB Obligation (Asset) Beginning      | _  | 4,068,627 |
| Net OPEB Obligation (Asset) Ending         | \$ | 4,687,145 |

The City's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for the current and prior two years are as follows:

| Fiscal Year<br>Ended | Annual OPEB Cost |           | Percentage of Annual OPEB Cost Contributed |        | Net OPEB Obligation |           |
|----------------------|------------------|-----------|--|--------|---------------------|-----------|
| June 30, 2013        | \$               | 1,532,519 | \$   | 120.5% | \$                  | 3,366,824 |
| June 30, 2014        |                  | 1,096,921 |  | 36.0%  |                     | 4,068,627 |
| June 30, 2015        |                  | 1,089,491 |  | 43.2%  |                     | 4,687,145 |

## Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 13: OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

#### D. Funded Status and Funding Progress

As of July 1, 2013, the most recent actuarial valuation date, the plan was 15.4 percent funded. The actuarial accrued liability was \$10,094,244 and the actuarial value of assets was \$1,557,827, resulting in an unfunded actuarial accrued liability (UAAL) of \$8,536,417. The covered payroll (annual payroll of employees covered by the plan) was \$9,801,620, and the ratio of the UAAL to the covered payroll was 87.1 percent.

Actuarial valuations of an ongoing plan involve estimates of the value of the reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the Annual Required Contributions of the City are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The Schedule of Funding Progress, presented as required supplementary information following the notes to the financial statements, presents multi-year trend information (as it becomes available) that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

## E. Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. In the July 1, 2013 actuarial valuation, the projected unit credit actuarial method was used. The actuarial assumptions included a 5 percent investment rate of return (net of administrative expenses). The annual healthcare-cost trend rates range from 7 percent in 2013 to 5 percent in 2014 and future years. The assumptions also include a 5 percent discount rate. The UAAL is being amortized as a level percentage of projected payroll on a closed basis. The remaining amortization period at June 30, 2014 was 29 years.

#### **NOTE 14: ENDOWMENTS**

The City's permanent funds account for the financial activities and balances of donor-restricted endowments for open space and wetland preservation and maintenance. Interest earned on the funds may be used pursuant to California Government Code for purposes that meet the criteria of the endowments. It is the City's policy for the City Council to authorize all approved expenditures according to the trust. At June 30, 2015, the nonspendable amount was \$356,665 and the spendable amount was \$146,194.

## Notes to Basic Financial Statements For the Year Ended June 30, 2015

#### NOTE 15: RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disaster.

There is no claims liability to be reported based on the requirements of Governmental Accounting Standards Board Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount for the loss can be reasonably estimated.

There were no significant reductions in insurance coverage from prior years and there have been no settlements exceeding the insurance coverage for each of the past three fiscal years.

The City is a member of Northern California Cities Self-Insurance Fund (NCCSIF), a joint powers agency which provides the City with a shared risk layer of coverage above the self-insured retention amount for liability and workers' compensation. The City pays an annual premium to NCCSIF for its insurance coverage.

General Liability Coverage: Annual deposits are paid by member cities and are adjusted retrospectively to cover costs. Each member city, including Lincoln, self-insures for the first \$50,000 of each loss. Participating cities share in loss occurrences in excess of \$50,000 up to a maximum of \$500,000. Premiums accrue based on the ultimate cost of the experience of the group of Cities. Coverage in excess of \$500,000 is provided through the California Joint Powers Insurance Risk Management Authority, a joint powers authority organized to provide excess coverage for its members.

Workers' Compensation Coverage: Annual deposits are paid by member cities and are adjusted retrospectively to cover costs. The City self-insured for the first \$100,000 of each loss and has purchased excess coverage with limits of \$5,000,000 per occurrence.

NCCSIF is a joint powers agency organized in accordance with Article 1, Chapter 5, Division 7, Title 1 of the California Government Fund Programs. The purpose is to create a common pool of funds to be used to meet obligations of the parties to provide workers' compensation benefits for their employees and to provide excess liability insurance. The Authority provides claims processing administrative services, risk management services, and actuarial studies. It is governed by a member from each city. The City of Lincoln council members do not have significant oversight responsibility, since they evenly share all factors of responsibility with the other cities. However, ultimate liability for payment of claims and insurance premiums resides with member cities. The Authority is empowered to make supplemental assessments as needed to eliminate deficit positions of member cities. If the JPA becomes insolvent, the City is responsible only to the extent of any deficiency in its equity balance.

Upon termination of the JPA agreement, all property of the Authority will vest in the respective parties which theretofore transferred, conveyed or leased said property to the Authority. Any surplus of funds will be returned to the parties in proportion to actual balances of each equity.

## Notes to Basic Financial Statements For the Year Ended June 30, 2015

## NOTE 15: RISK MANAGEMENT (CONTINUED)

The Authority establishes claims liabilities based on estimates of the ultimate cost of claims (including future claims settlement expenses) that have been reported but not settled, plus estimates of claims that have been incurred but not reported. Because actual claims costs depend on various factors, the claims liabilities are recomputed periodically using a variety of actuarial and statistical techniques to produce current estimates that reflect recent settlements, claim frequency, and other economic and social factors. A provision of inflation is implicit in the calculation of estimated future claims costs. Adjustments to claims liabilities are charged or credited to expense in the periods in which they are made.

The participants as of June 30, 2015 were as follows:

- Anderson
- Auburn
- Colusa
- Corning
- Dixon
- Elk Grove
- Folsom
- Galt
- Gridley
- Ione
- Jackson

- Lincoln
- Marysville
- Nevada City
- Oroville
- Paradise
- Placerville
- · Red Bluff
- Rio Vista
- Rocklin
- Willows
- Yuba City

The City's investment in the NCCSIF of \$669,640 is recorded in the funds as Investment in JPA. The net change is shown as an income or expenditure/expense item in the funds.

#### NOTE 16: OTHER INFORMATION

#### A. Commitments and Contingencies

At June 30, 2015, the City had construction contracts outstanding of approximately \$10,781,402.

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the appreciable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the government expects such amounts, if any, to be immaterial.

As of June 30, 2015, the City was overseeing the construction of a regional sewer pipe line between the City of Lincoln and Placer County. The cost of this construction is being reimbursed by the County of Placer and upon completion title will pass to the City of Lincoln.

## B. Successor Agency Trust for Assets of Former Redevelopment Agency

In accordance with Assembly Bill 1X26 and Assembly Bill 1434, all redevelopment agencies in the State of California were dissolved and ceased to operate as legal entities as of February 1, 2012. The activity of the Successor Agency Trust for assets of the Former Redevelopment Agency (Successor Agency) is recorded in private purpose trust funds.

## Notes to Basic Financial Statements For the Year Ended June 30, 2015

## **NOTE 16: OTHER INFORMATION (CONTINUED)**

#### B. Successor Agency Trust for Assets of Former Redevelopment Agency (Continued)

Management believes, in consultation with legal counsel, that the obligations of the former redevelopment agency due to the City are valid enforceable obligations payable by the successor agency trust under the requirements of the Bill. The City's position on this issue is not a position of settled law and there is considerable legal uncertainty regarding this issue. It is reasonable possible that a legal determination may be made at a later date by an appropriate judicial authority that would resolve this issue unfavorably the City. Amounts owed to the City are included in Due from Other Agencies and consist of \$4,064,231 due to the Water Connections fund, and \$297,612 due to the Wastewater Operations fund.

Capital assets activity for the year ended June 30, 2015, was as follows:

|  | Balance      |                      |             | Balance             |
|--|--------------|----------------------|-------------|---------------------|
|  | July 1, 2014 | Additions            | Retirements | June 30, 2015       |

## Notes to Basic Financial Statements For the Year Ended June 30, 2015

## **NOTE 16: OTHER INFORMATION (CONTINUED)**

## B. Successor Agency Trust for Assets of Former Redevelopment Agency (Continued)

Individual issues of debt payable outstanding at June 30, 2015, are as follows:

#### Bonds:

Lincoln Public Financing Authority Revenue Refunding Bonds Series 2000 issued December 2000 in the total amount of \$12,275,000, of which \$5,625,000 is considered a liability of the former Redevelopment Agency and is payable in annual installments of \$235,000 to \$580,000, with an interest rate of 4.25% to 5.90% and maturity on September 15, 2017. The bonds were used to refund the 1989 Refunding Revenue Bonds and the Lincoln Public Financing Authority Revenue Bonds Series 1994.

\$ 825,000

Lincoln Public Financing Authority Tax Allocation Revenue Bonds Series 2004A, issued October 20, 2004 in the amount of \$8,720,000 and payable in annual installments of \$305,000 to \$925,000, with an interest rate of 3.50% to 4.80% and maturity on September 15, 2026. The bonds were used to finance redevelopment activities.

8,100,000

Lincoln Public Financing Authority Housing Set Aside Tax Allocation Revenue Bonds Series 2004B (Taxable), issued October 20, 2004 in the amount of \$2,370,000 and payable in annual installments of \$35,000 to \$160,000, with an interest rate of 5.00% to 5.70% and maturity on September 15, 2033. The bonds were used to finance low and moderate income housing activities.

1,905,000

**Total Bonds** 

\$10,830,000

Following is a schedule of debt payment requirements to maturity for long-term debt:

|                    |               | Bonds        |                      |  |  |  |  |  |

| Total              | \$ 10,830,000 | \$ 3,882,713 | <u>\$ 14,712,713</u> |  |  |  |  |  |

#### C. Subsequent Events

On June 2, 2014, the Central Valley Regional Water Quality Control Board (Board) issued a Cleanup and Abatement Order requiring the City to implement a corrective action to address ground water impacts and lack of separation between high ground water and the waste placed within the landfill. The City was required to complete the corrective action by October 15, 2015. Subsequent to June 30, 2015, the City completed the required corrective action in a timely manner. The Board is in the process of renewing and approving the corrective action installation report.

## Notes to Basic Financial Statements For the Year Ended June 30, 2015

## **NOTE 16: OTHER INFORMATION (CONTINUED)**

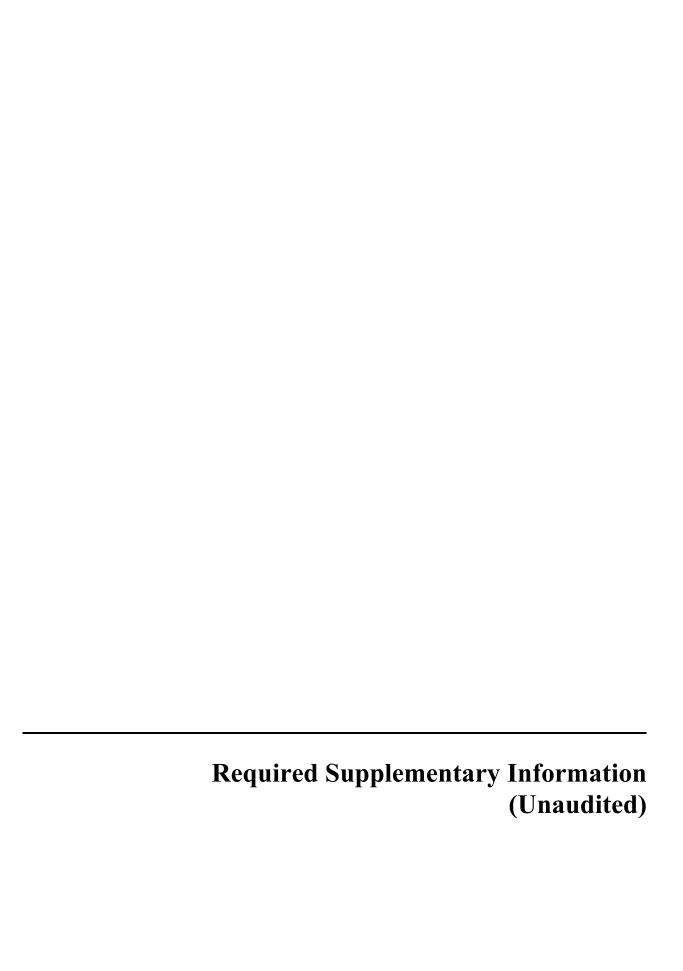

## C. Subsequent Events (Continued)

Management has evaluated events subsequent to June 30, 2015 through January 7, 2016 the date on which the financial statements were available for issuance. Management has determined no additional subsequent events requiring disclosure have occurred.

## D. Special Assessment Debt with No City Commitment

The City reports the debt service transactions of various special assessment issues for which the City is not obligated in any manner, in Agency funds. The debt will be paid from and secured solely by the revenues of these special assessment districts and does not constitute an indebtedness of the City. At June 30, 2015, the principal amount of special assessment debt outstanding for which the City is not obligated was as follows:

|   | Project          | Original     | Outstanding   |

## Required Supplementary Information Notes to City Pension Plans For the Year Ended June 30, 2015

#### NOTE 1: SCHEDULE OF PROPORTIONATE SHARE OF THE NET PENSION LIABILITY

There were no changes in assumptions or benefits in calculating the net pension liability.

#### NOTE 2: SCHEDULE OF CONTRIBUTIONS

Methods and assumptions used to determine the contribution rates for the Miscellaneous Plans were as follows:

Miscellaneous Tier One Plan

Valuation Date June 30, 2011 Actuarial cost method Entry Age Normal

Amortization method Level percentage of payroll, closed Remaining amortization period 20 years as of the valuation date Asset valuation method 15 year smoothed market

Inflation 2.75%

Salary increases 3.3% to 14.2% depending on age, service, and type of employment Investment rate of return 7.75%, net of pension plan investment expense, including inflation

Retirement age 50-67 years

Miscellaneous Tier Two Plan

Valuation Date June 30, 2011
Actuarial cost method Entry Age Normal

Amortization method Level percentage of payroll, closed Remaining amortization period 9 years as of the valuation date Asset valuation method 15 year smoothed market

Inflation 2.75%

Salary increases 3.3% to 14.2% depending on age, service,

and type of employment

Investment rate of return 7.75%, net of pension plan investment expense, including inflation

Retirement age 50-67 years

Methods and assumptions used to determine the contribution rates for the Safety Plan was as follows:

Safety Plan

Valuation Date June 30, 2011
Actuarial cost method Entry Age Normal

Amortization method Level percentage of payroll, closed Remaining amortization period 21 years as of the valuation date Asset valuation method 15 year smoothed market

Inflation 2.75%

Salary increases 3.3% to 14.2% depending on age, service, and type of employment Investment rate of return 7.75%, net of pension plan investment expense, including inflation

Retirement age 50-67 years

## Required Supplementary Information City OPEB Plan Schedule of Funding Progress For the Year Ended June 30, 2015

#### SCHEDULE OF FUNDING PROGRESS

The Schedule of Funding Progress - Other Postemployment Benefits provides a consolidated snapshot of the City's ability to meet current and future liabilities with the plan assets. Of particular interest to most is the funded status ratio. This ratio conveys a plan's level of assets to liabilities, an important indicator to determine the financial health of the OPEB plan. The closer the plan is to a 100% funded status, the better position it will be in to meet all of its future liabilities.

The table below shows a three year analysis of the actuarial value of assets as a percentage of the actuarial accrued liability and the unfunded actuarial accrued liability as a percentage of the annual covered payroll for the City Other Postemployment Benefit Plan.

|  |  | Actuarial<br>Accrued                        |   |                          |   | UAAL as a  |

## Required Supplementary Information Notes to Budgetary Comparison Schedules For the Year Ended June 30, 2015

#### NOTE 1: BUDGETARY BASIS OF ACCOUNTING

Formal budgetary integration is employed as a management control device during the year for the General fund and special revenue funds, and is controlled at the department level for the City. Budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP). The City has not formally adopted a budget for revenues and expenditures in the debt service and capital project funds.

The following procedures are performed by the City in establishing the budgetary data reflected in the financial statements:

- (1) In May of each year the Finance Department is to submit to the City Council a recommended operating budget for the fiscal year commencing the following July 1. The operating budget includes recommended expenditures and the means of financing them.
  - Public hearings are to be conducted at City Hall to obtain taxpayer comments. Generally by the first of July, after adjustment as appropriate by the City Council, the budget is to be legally enacted through council motion.
- (2) Council approval is required for transfers between funds, or for an increase in total appropriations. Therefore, the level of budgetary responsibility is by total appropriations; however, for report purposes, this level has been expanded to a functional basis (General Government, Public Safety, etc.).
- (3) Formal budgetary integration is employed as a management control devise during the year for the General fund and special revenue funds. Budgets are adopted on a basis consistent with generally accepted accounting principles (GAAP). Accordingly, actual revenues and expenditures can be compared with related budgeted amounts without any significant adjustments.
- (4) All unused appropriations for budgeted amounts lapse at the end of the year.
- (5) Individual fund budgetary comparisons are not presented at the detail budget unit level due to their excessive length. A separate document presenting this information is available.

The City does not use encumbrance accounting under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation.

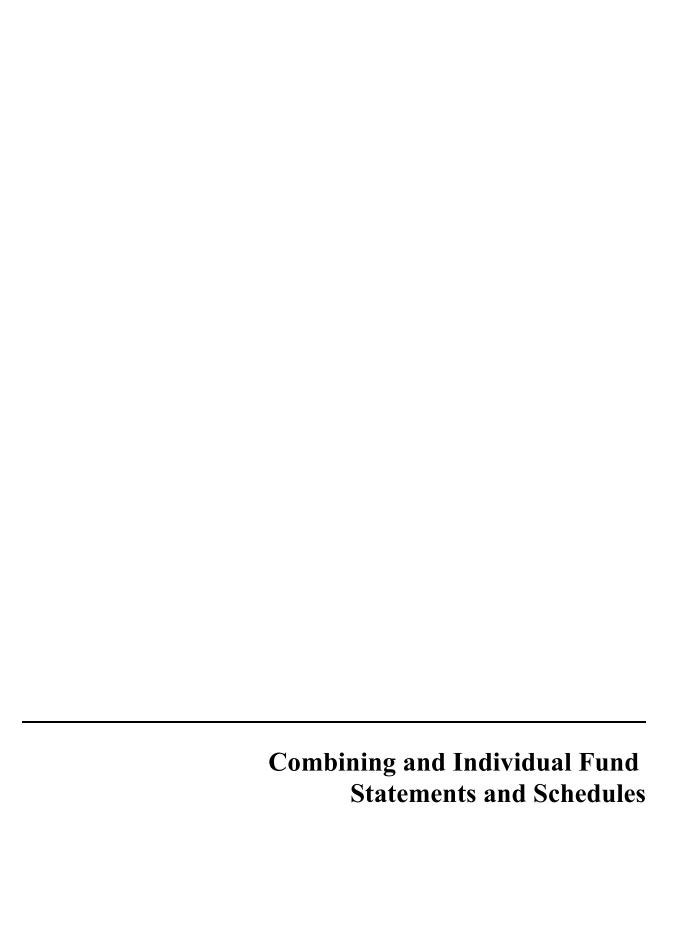

## Required Supplementary Information Notes to Budgetary Comparison Schedules For the Year Ended June 30, 2015

## NOTE 2: EXPENDITURES IN EXCESS OF APPROPRIATIONS

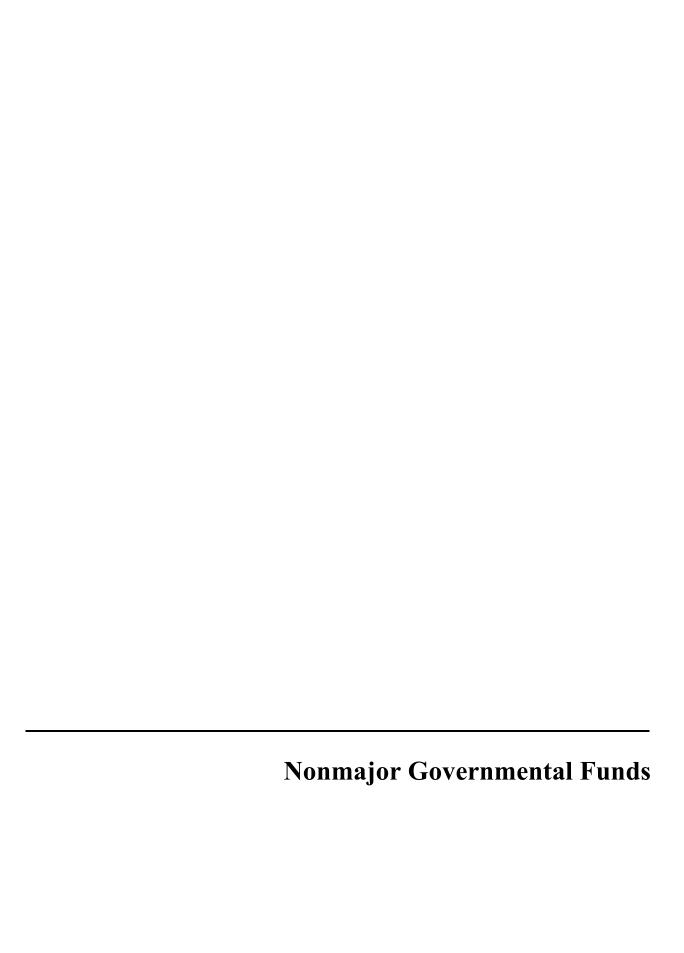

The following General fund departments had an excess of expenditures over appropriations at the legal level of budgetary control as follows:

|                           | Appropriations | Expenditures | Excess of Expenditures Over Appropriations |
|---------------------------|----------------|--------------|--|
| Administration allocation | \$ 1,853,412   | \$ 1,853,458 | \$ 46                                      |
| City council              | 126,554        | 130,851      | 4,297                                      |

## **Nonmajor Special Revenue Funds**

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted or assigned to expenditure for specific purposes other than debt service or capital projects. Nonmajor special revenue funds are used by the City are listed below:

#### Park In-Lieu

Accounts for fees collected from developers in lieu of dedicating land for park or recreational purposes. Fees are used to purchase property for public parks.

#### Gas Tax

Accounts for receipts and expenditures of monies apportioned for road projects under the Street and Highway Code Section 2105, 2106, 2107 and 2107.5 of the State of California.

#### **Street Fund**

Accounts for revenues and expenditures street projects.

#### **Supplemental Fees**

Accounts for supplemental activities that are supported by external sources of funds.

#### **Parks and Recreation Tax**

Accounts for monies received from the State and County to be used for traffic/street/transit improvements.

#### **Development Services**

Accounts for monies received in relation to all aspects of developing property and/or projects within the City. The activities are accounted for within the Community Development and Public Works Departments. Monies are received from license and permit costs and additional fees for services within the City of Lincoln and the surrounding areas.

#### **Police Grants**

Accounts for grants received for special police services.

#### Revitalization and Rehabilitation Loans

Accounts for revitalization and rehabilitation monies lent to local businesses and residents for revitalizing and rehabilitating homes and buildings.

## **Community Development Block Grant (CDBG)**

Accounts for the City's participation in the Community Development Block Grant programs, which provides loans to businesses to generate jobs for new employees in the targeted income group (generally low income).

#### **HOME Investment Partnership Program**

Accounts for HOME Investment Partnership grants received for community services.

## CITY OF LINCOLN Nonmajor Special Revenue Funds

## Oak Tree Mitigation

Accounts for monies received from developers to replace oak trees that have been removed for development of land.

## **State Grants**

Accounts for state grants received and used for capital projects.

## **Cal Home Grants**

Accounts for Cal Home grants received and used to provide loans to local residents.

## **Special Assessment Districts**

Accounts for resources received to provide improvements and maintenance to public property within the District.

#### **Nonmajor Permanent Funds**

Permanent Funds are used to report resources that are legally restricted to the extent that only earnings, not principal, may be used for purposes that support the reporting of the City's programs. Nonmajor permanent funds of the City are listed below:

#### **Stormwater Retention Maintenance**

Accounts for resources received for the purpose of protecting open space easements surrounding the stormwater retention area.

#### **Suncal Open Space Endowment**

Accounts for resources received for the purpose of preserving the open space endowment at the Suncal-Lincoln Crossing.

#### **Brookview Open Space Maintenance Trust**

Accounts for resources received for the purpose of preserving the open space within the Brookview 4 subdivision.

#### **Sterling Point Endowment**

Accounts for resources received for the purpose of protecting the open space and wetland habitat at Sterling Point.

#### **WWTRF Tertiary Storage Basin Maintenance**

Accounts for resources received for the purpose of providing erosion protection and vegetation control for the WWTRF storage basins.

#### Lincoln Aircenter

Accounts for resources received for the purpose of providing open space maintenance and management of the Lincoln Aircenter Open Space.

#### CITY OF LINCOLN Nonmajor Enterprise Funds

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed primarily through user charges; or where the City has decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. Nonmajor enterprise funds of the City are listed below:

#### **Transit**

Accounts for the activities of the City of Lincoln's transit services. The City of Lincoln provides fixed route and demand-response public transit services to its residents.

#### CITY OF LINCOLN Fiduciary Funds

The Fiduciary Funds are used to report assets held in a trustee or agency capacity for others and therefore cannot be used to support the government's own programs.

#### **Private Purpose Trust Funds**

These funds are used to report other trust arrangements under which principal and income benefit individuals, private organizations, or other governments. The private purpose trust funds maintained by the City include the following:

#### Successor Agency to the Redevelopment Agency of the City of Lincoln

The fund is used to report the dissolution of the Redevelopment Agency of the City of Lincoln.

#### **Agency Funds**

These funds are used to report resources held by the City in a purely custodial capacity. The agency funds maintained by the City include the following:

#### Little League Fund

Accounts for monies held as agent for Little League activities.

#### Markham Ravine Neighborhood Trust

Accounts for resources received for the purpose of preserving open space surrounding the Markham Ravine area.

#### **Lincoln Airpark 98-1**

Accounts for monies held from the Community Facilities District No. 1998-1 Special Tax Bonds to finance the acquisition of public improvements to property within the community facilities district and finance wetland mitigation measures. Revenue received from property tax assessment. These bonds are not a liability of the City.

#### **Twelve Bridges Series 2011**

Accounts for the monies held from the Twelve Bridges Refunding Bonds Series 2011 for improvements within the assessment district. Monies are received from special tax assessments. These bonds are not a liability of the City.

#### Foskett Ranch Series 2004-3

Accounts for the monies held from the Limited Obligation Revenue Bonds held to finance the construction/acquisition of public improvements within the assessment district. Monies are received from special tax assessments. These bonds are not a liability of the City.

#### Lakeside CFD Series 2006

Accounts for the monies held from the Special Tax Bonds for the acquisition improvements within the Lakeside Area 2 assessment district. These bonds are not a liability of the City.

# CITY OF LINCOLN Fiduciary Funds

#### Special Tax Revenue Bond 2007 A&B

Accounts for the monies held from the purchase of the Local Obligations to acquire, construct and improve the Lincoln Crossing 2003-1 assessment district. These bonds are not a liability of the City.

#### **CFD Sorrento Series 2009**

Accounts for the monies held from the Special Tax Bonds Series 2009 for improvements within the Sorrento Project 2005-A Assessment District. Monies are received from special tax assessments. These bonds are not a liability of the City.

#### CFD Sorrento 2005-1 Series 2013

Accounts for the monies held from the Special Tax Bonds for improvements within the Sorrento Project 2005-1 Assessment District. Monies are received from special tax assessments. These bonds are not a liability of the City.

#### **Capital Improvements**

Accounts for bond proceeds, federal and local funds and transfers from other funds which are designated for various buildings and general improvements.

#### **Twelve Bridges Capital Projects**

Accounts for construction or purchase of improvements within the Twelve Bridges assessment district.

#### **Highway 65 Capital Projects**

Accounts for resources received for work on Highway 65.

#### **Aiken Ranch Financial District Improvements**

Accounts for resources received for construction or purchase of improvements within the assessment district.

#### Lakeside Community Facilities District (CFD) Improvement Area

Accounts for construction or improvements with the Lakeside assessment district.

#### **Lincoln Crossing Capital Projects**

Accounts for resources received for construction or purchase of improvements within the assessment district.

#### Foskett Ranch Series 2004-3

Accounts for resources received to construct improvements at Foskett Ranch.

#### CFD Sorrento 2005-1 Series 2014-1

Accounts for the monies held from the Special Tax Bonds Series 2014-1 within the Sorrento Project 2014-1 Assessment District. Monies are received from special tax assessments. These bonds are not a liability of the City.

#### **Statistical Section**

This part of the City's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health.

#### **Financial Trends**

These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.

#### **Revenue Capacity**

These schedules contain information to help the reader assess the City's most significant local revenue source, property taxes.

#### **Debt Capacity**

These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.

#### **Demographic and Economic Information**

These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place and to help make comparisons over time and with other governments.

#### **Operating Information**

These schedules contain service and infrastructure data to help the reader understand how the City's financial information relates to the services the City provides and the activities it performs.

#### **Notes:**

In 1978, the voters of the State of California passed Proposition 13 which limited property taxes to a maximum rate of 1% based upon the assessed value of the property being taxed. Each year, the assessed value of property tax may be increased by an "inflation factor" (limited to a maximum increase of 2%). With few exceptions, property is only reassessed at the time that it is sold to a new owner. At that point, the new assessed value is reassessed at the purchase price of the property sold. The assessed valuation data shown above represents the only data currently available with respect to the acutal market value of the taxable property and is subject to the limitations described above.

California Municipal Statistics

<sup>(1)</sup> The above tax rates are applied per \$100 of assessed valuation.

<sup>(2)</sup> In 1978, California voters passed Proposition 13 which sets the property tax rate at a 1.00% fixed amount. This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of school district bonds.

#### **Notes:**

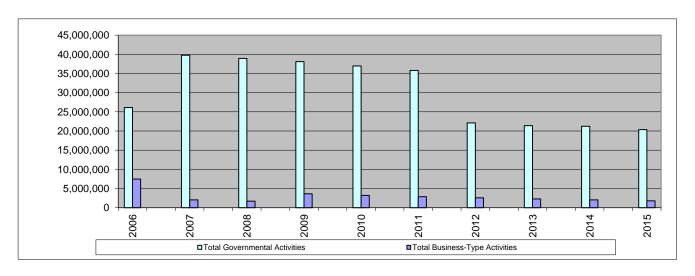

Current tax collections beginning in 1993 have been reduced by a mandatory tax reallocation imposed by the State of California. Placer County uses an estimate for the delinquency rate and compiles delinquency as a lump sum. Subsequent collections are not broken out by fiscal year from the County; thus, this information is not available.

### **Notes:**

- (1) The percentage of overlapping debt applicable to the city is estimated using taxable assessed property value. Applicable percentages were estimated by determining the portion of the overlapping district's assessed value that is within the boundaries of the city divided by the district's total taxable assessed value.
- (2) Excludes tax and revenue anticipation notes, enterprise revenue, mortgage revenue and tax allocation bonds and non-bonded capital lease obligations.

City of Lincoln Finance Department

<sup>(</sup>a) California Government Code Section 43605 sets the debt limit at 15%. The Code section was enacted prior to the change in basing assessed value at full market value when it was previously 25% of market value. Thus the limit shown as 3.75% is one-fourth the limit to account for the adjustment of showing assessed valuation at full cash value.

<sup>(</sup>b) Self-supporting debt such as lease revenue bonds and bonds payable from fees and charges of Enterprise Funds are not subject to the limit.

City of Lincoln Original Budget Documents

<sup>(</sup>a) A 2011 reorganization changed the Community Development Department to Development Services Department and the Public Works Department to Public Services Department. For comparison purposes, divisions are reported in this table under the department where they are currently located and departments are listed by their current names.

<sup>(</sup>b) In some years, maintenance crews are reported in the budget documents as a total number and in other years they are broken out by division.

<sup>(</sup>c) Includes regular employees only, does not include part-time seasonal.
