**Final Report or Receipts.**

a. BUILDER or Owner shall file with the Jurisdiction at the final inspection to the permitted project. This report shall be formatted in a report of the quantities of debris collected, transported, diverted, and disposed or shall be a file of the receipts from the hauler

b. The documents shall contain debris tonnage collected and removed within the project during the previous quarter;

- (1) Copies of all scale receipts
- (2) Material type collected if not included on scale receipts
- (3) Project completion percentage (end of year)

c. The Jurisdiction shall establish guidelines, forms and other appropriate material to assist BUILDER in preparing the reports required by Green BuildingCode. A BUILDER's failure to turn in the final reports required shall constitute cause for a final inspection comment and the Occupancy Certificate will not be issued until compliance and jurisdictional approval.
