**Lowe's Donations:** Lowe's donated two pellet smoker/BBQs to the fire department (after donating one a couple months ago). The crews at all three stations are very grateful for this donation!

**Certified Building Official:** The Community Development Department is proud to announce that Will Foote has successfully obtained his Certified Building Official certificate. Mr. Foote first joined the City of Lincoln in 2014 as a consultant. Before he arrived at the City, Mr. Foote worked in other organizations as a building

inspector. Mr. Foote's extensive amount of experience has contributed to his success here in the City. Further, Mr. Foote's character speaks volumes as he commits to foster good relationships with the superintendents and contractors in the City. In combination with the number of years of experience and now his CBO certificate, Mr. Foote will continue to play a critical role in the City of Lincoln's success. Congratulations Will Foote, and keep up the great work!

All Capital Improvement Projects will be updated on the attached CIP Tracker Report on at least a monthly basis. Individual Inside Lincoln updates will only be provided for a select group of high-profile projects as needed.

CIP Tracker and its associated map are available on the City's website at the following location:

<http://www.lincolncity.gov/city-hall/departments-divisions/engineering/cip-projects>
