...return my items?
- Items can be returned at the front desk, at the book drops in the lobby, or in the 24-hour book drop on the west side of the building.

...use a library computer?
- There are no reservations for our computers, and you do not need a library card. Simply find an open computer!

...print, copy, fax, or scan?
- Printed pages can be collected at the front desk; we will need to know the user ID (library card # or last name) you put in at your computer. Copies and scans can be made at the coin-operated copier by the audiobooks. Staff can fax items for you at the front desk.
