

2021-GENERAL PLAN ANNUAL PROGRESS REPORT

Purpose and Content

Section 65400(b) of the State of California Government Code requires planning agencies to provide an annual report to their legislative body, the Governor's Office of Planning and Research (OPR), and the State Department of Housing and Community Development (HCD) on the status of the General Plan and progress in its implementation. The four basic purposes of the annual report are as follows:

- To provide information to assess progress on implementation of the general plan in accordance with the stated goals, policies and implementation measures.
- Provide information to identify necessary course adjustments or modifications to the general plan as a means to improve implementation.
- To provide a clear correlation between land use decisions made during the reporting period, and the goals, policies and implementation measures in the general plan.
- To provide information regarding local agency progress in meeting its share of regional housing needs and local efforts to remove governmental constraints to the development of housing.

Informational Document

This document is a reporting document, and does not create or alter policy. The content is provided for informational purposes only, and is exempt from the requirements of the California Environmental Quality Act.

Organization

After the Introduction, a summary of projects and issues addressed over last year is provided, and then each General Plan element is addressed. Appendix A includes the mandatory HCD Housing Element reporting forms.

Introduction

The General Plan Annual Progress Report summarizes the City of Lincoln's progress towards implementing the goals, policies, and programs of General Plan 2050. It covers the period from January 1, 2021, through December 31, 2021.

The report also reviews the activities of the City including the Planning, Housing, Safety elements and Capital Improvement Program.

This report is prepared in compliance with California Government Code Section 65400(b), which mandates that all cities and counties submit to the State Office of Planning and Research an Annual Report on the status and implementation of the General Plan.

Lincoln Background

The City of Lincoln is located in Placer County on the eastern edge of the Sacramento Valley floor at the base of the Sierra Nevada foothills. The City of Lincoln covers approximately 23.55 square miles as of 2022. According to the California State Department of Finance population estimates, Lincoln's estimated population, as of January 1, 2021 is 49,624, which is a 2.1% change from 2020 (48,603). Lincoln's growth is guided by the award-winning 50-year General Plan.

Primary access to the City is via State Route 65 (SR 65) which connects to Lincoln Boulevard. Lincoln Boulevard also connects to McBean Park Drive/State Route Highway 193 in Downtown Lincoln, which provides access to the county seat in Auburn via Newcastle and I-80. The City is generally bounded by Wise Road to the north, Sierra College Boulevard to the east, Athens Avenue to the south, and Airport Road to the west.

Lincoln is a growing and balanced community with a 163-year heritage. Located in beautiful Placer County, the quality of life in Lincoln is unmatched and the business community is supported and celebrated. Drawn to the authentic, historic Downtown and its dining, shopping, arts and cultural opportunities, residents and visitors enjoy an engaging small-town atmosphere.

Budget

The budget serves as the City's primary financial document to guide the City Council and staff through the coming fiscal year. It outlines the major priorities and projects that the City will undertake. It reflects staff time for city programs and services, contracts for maintenance and major construction projects, as well as needed materials and supplies. The City's operational expenses were budgeted at \$67,204,498 for Fiscal Year 2021/22 (\$76,811,758 for 20/21); this included a general fund budget expense of \$21,714,137 (\$20,280,225 for 20/21)

Citywide Capital Budget

Citywide capital expenditures were budgeted at \$14,718,764 for Fiscal Year 2020/2021 (\$22,523,206 for 20/21). Major expenditures in the 2021 calendar year include the CIP projects noted on page 5.

Regional Housing Needs

The Sacramento Area Council of Governments issued its Final Regional Housing Needs Plan in 2012 in which the City was allocated its "fair share" of the region's projected housing needs by household income group over the planning period from January 1, 2013 through December 31, 2021, an 8-year planning period. The table attached to the report provides an assessment of the City's progress toward meeting its allocation through December 31, 2021.

Department Updates – 2021

Community Development Department

The City of Lincoln 2008 General Plan update replaced the 1988 General Plan. The City subsequently adopted the Housing Element in 2021 (which conforms to the current General Plan). The 2008 General Plan guides the orderly development of the City with a planning horizon to 2050, representing a buildout population of 132,000 residents.

Growth and Construction – Residential

In 2021 the City saw a resurgence/increase of construction of single-family dwelling units (SFDU). In 2021, despite the Covid-19 Pandemic, the Community Development Department processed 671 SFDUs. Further, a number of entitlement applications were approved for residential development of low, medium, and high density residential. Residential development is taking place in all corners of the City, accommodating low and medium density residential development.

Year	SFDU
2009	116
2010	91
2011	92
2012	216
2013	246
2014	286
2015	234
2016	217
2017	227
2018	45
2019	62
2020	613
2021	671

With a continual, high rate of residential development in the housing market and attraction to live and work in South Placer County, the City anticipates continuing to see a rapid increase in all areas of residential development in the coming year.

Growth and Construction – Commercial

The City saw a flattening of commercial building permits issued through FY 21/22. Vacancies are down and most of the commercial centers weathered the shutdowns as exacerbated by the COVID lockdowns/shutdowns. Businesses were able to pivoted to curbside pick-up rather than in-person dining/shopping.

General Plan Amendments

Since adoption of the 2008 General Plan, the City has processed fifteen General Plan Amendments have occurred. These include the following projects:

- Placer County Airport Land Use Compatibility Plan – expand and redefine the overflight zone area.
- Lincoln Crossing Village 11 – change of land use designation to accommodate the development of additional single-family residential development.
- Sorrento Village 10 – amendment to change the designation from 75-116 high density units to 39 single family units.
- Meadowlands – amendment that considered a tentative subdivision mapping to allow for the development of 294 single family units.
- Village 7 Phase 1 Specific Plan Amendment – the amendment reconfigured land uses within Phase 1, but did not alter the total number of dwelling units in the Specific Plan area.
- Independence at Lincoln – change of land use designation from industrial to accommodate low and medium density residential and mixed-use development for the construction of 575 detached residential units.
- Village 5 Specific Plan Area - amendment to create land use designations and adopted a Specific Plan for over 4,400 acres of land.
- Lakeside 6, Phases 7 & 8 – amendment to change the designation from high density residential to medium density residential for the construction of 85 single family units.
- Village 1 Specific Plan Area - amendment to create land use designations and adopted a Specific Plan for over 1,800 acres of land.
- Twelve Bridges Specific Plan Area A - amendment to change the land use designations for lots 29A and 29B from Village Commercial to General Commercial.
- Lincoln Meadows – creation of 144 single-family residential lots on 40 acres of land.
- 2020 – Village 1 Specific Plan Area – amendment to change the land use designation in the Turkey Creek Estates Unit 2 from Village Country Estates to Village Low Density Residential.
- 2021 – Meadowlands - amendment to the General Plan Land Use Diagram from 1.40 acres of Linear Park to 0.27 acres of Open Space – Linear Park and 1.13 acres of Low Density Residential.
- 2021 – Joiner Ranch East - amendment to the General Plan Land Use Diagram from 20.0 acres of General Commercial and 5.6 acres of Medium Density Residential to 23.17 acres of Medium Density Residential and 2.49 acres of Open Space.
- 2021 – Housing Element Update – update and adoption of the 2021-2029 Housing Element.

Department Updates – 2021 (cont.)

City Engineer – Capital Improvement Program

Citywide capital expenditures were budgeted at \$11,153,077 for Fiscal Year 2019/2020 and \$14,718,764 for Fiscal Year 2020/2021. In 2021 the City spent \$13,865,353 on projects to maintain, rehabilitate and repair various components of the City's infrastructure. The Citywide Capital budget includes projects to expand the City's roadway and utilities infrastructure that are critically necessary in order to facilitate development of the General Plan, as well as constructing parks and other facilities. Major expenditures in the 2021 calendar year include the following CIP projects:

- 5 Million Gallon Storage Tank (Tank #3) - a 5 million-gallon (5 MG) water storage tank was constructed near the southwest corner of the intersection of Sierra College Boulevard and Twelve Bridges Drive. This project also included pipelines to connect Tank #3 to the City's water conveyance system; grading of a pad for a future 5 MG water storage tank (Tank #4); realignment of the existing trail to go around the tanks and filling-in the decommissioned City-owned pond site that was previously used for raw water storage. Total project cost \$9,635,047.
- East Joiner Parkway Widening Project – Expansion from two lanes to four lanes to meet future traffic demands. Bicycle lane and sidewalk installation, traffic signal installation at the Westview intersection, a new traffic circle at the Fieldstone intersection, and 2" overlay of existing two lanes of Joiner Parkway are planned. The project is currently in construction with an anticipated completion date in May 2022. Total estimated project cost through completion \$8,500,000.
- Waste Water Treatment and Reclamation Facility Upgrades that includes the Oxidation Ditch Aerator Conversions Project that will replace six large rotors used to provide the oxygen necessary to break down organic matter in the wastewater. The rotors are at the end of their estimated life, have become maintenance liabilities and require a lot of energy to operate. The rotors will be replaced with a more energy efficient diffused air system similar to a system already installed in another oxidation ditch at the Lincoln treatment plant. Total estimated cost through completion \$4,800,000.
- Police Department Warehouse Expansion Project – Built a free standing two story 30-foot by 50-foot structure inside the Police Department warehouse to improve and provide additional evidence storage capacity. The structure consists of four rooms including: Air-conditioned storage, evidence archive area, general storage, and climate-controlled gym. Total estimated project cost through completion \$1,050,000.
- Reconstruct Airport Runway Project – The 6,001 foot-long runway at the Lincoln Regional Airport is nearing the end of its service life. The runway pavement is weathering and cracks have developed due to thermal expansion and contraction. The pavement maintenance analysis updated in 2015 indicated that the pavement on the runway has a remaining life of 2 to 3 years with forecast traffic. The project is currently in the environmental permitting phase. Total estimated cost through completion is \$10,000,000.
- Silver Spur Sanitary Sewer Lift Station - This project involved a new ½-inch thick fiberglass shell for the wet well, replacement of respective pipes and valves, new pump motor control system, electrical cabinet, and installation of an emergency storage tank. Total project cost \$930,000.

- East Avenue Waterline Replacement Project – Replacement of over 4,500 lineal feet of water main on East Avenue from McBean Park Drive to East 9th Street; A Street from McBean Park Drive to 7th Street; 5th Street and 7th Street from East Avenue to A Street; and, a new storm drain lateral on East Avenue. This includes the replacement of 50 water services and 9 fire hydrants. Total project cost \$1,600,000.

General Plan Implementation – Status Review

Economic Development

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
1.0	The City shall establish an Economic Development Vision, which defines the types of desired commercial, office, and industrial land uses it would like to attract and where those land use types should be located.	ED-1.1	City Council, Community Development Dept., Public Works Dept.	Completed	Economic Development Strategic Action Plan adopted July 2016.
2.0	The City shall develop a sound fiscal model and utilize it on an ongoing basis in order to evaluate the fiscal impacts of new development.	ED-1.2	Community Development Dept., Public Works Dept.	Completed	Implemented in 2019.
3.0	Based on fiscal analysis, the City shall establish and implement the appropriate fiscal mitigation measures (including but not limited to development fees) on new development in order to improve existing or new public services and utility infrastructure.	ED-1.2	City Council & Community Development Dept.	Ongoing	PFE impact fee program will be updated in 2022.
4.0	The City shall develop a vision for each Specific Plan area.	ED-2.1	City Council & Community Development Dept.	Ongoing	Village specific plans have been developed with a unique vision and sound design principles. *No Change from the 2020 Annual Update
5.0	The City shall define the necessary entitlement procedures that facilitate the implementation of developing the Specific Plan areas.	ED-2.1	City Council & Community Development Dept.	Ongoing	The Village 1, 5, and 7 Specific Plans have been developed with detailed entitlement procedures. *No Change from the 2020 Annual Update

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
6.0	The City shall monitor its supply of housing and the housing requirements of employees who work in the City to provide an adequate mix of housing opportunities.	ED-3.3	Community Development Dept.	Ongoing	The Housing Element (2021-2029) was updated on May 11, 2021 via City Council Resolution 2021-84.
7.0	The City shall identify target businesses and industries to use in conjunction with the City’s Economic Development Vision in order to focus efforts on attracting businesses to the City.	ED-4.1	City Council & City Manager	Completed	Go to Market Strategy completed December 2013. Since then, staff has identified sustainable manufacturing; warehouse/assemble uses, independent retail (Downtown) and National retail as focus areas for prospect development.
8.0	The City shall cooperate with local business groups on development and support of “Buy in Lincoln” activities.	ED-4.1	City Council	Ongoing	Love Lincoln, Shop Local program implemented in coordination with the Chamber and the Downtown Lincoln Association. *No Change from the 2020 Annual Update
9.0	The City shall attract new businesses to the City through educational and promotional campaigns, with an emphasis on attracting small to medium-sized businesses as well as underrepresented businesses and industries.	ED-4.2	City Manager	Ongoing	Staff continues to focus on attracting new businesses through industry focused outreach. *No change from the 2020 Annual Update
10.0	The City shall develop and update land availability information for distribution to current and prospective businesses.	ED-4.3	City Manager	Ongoing	Current list on City’s website, updated every 6 months. *No change from the 2020 Annual Update
11.0	The City shall collect and disseminate market, economic, social, demographic, and traffic data related to the retail sector to prospective investors, developers, consumers, retailers, and public agencies.	ED-4.5	City Manager	Ongoing	Current information on City’s website. It is distributed to target audience through economic development activities. *No change
12.0	The City shall create an Airport Marketing Plan that includes marketing collateral promoting the Lincoln Airport.	ED-5.1	City Manager	Ongoing	Airport assessment recommends that marketing and branding be undertaken in the longer term after operational issues and priorities have been addressed. *No change from the 2020 Annual Update

Implementation Measure		Policy	Responsibility	Status	
				Timeframe	Status
13.0	The City shall establish a list of non-aviation-related services that would complement aviation-related businesses near the airport.	ED-5.1	City Manager	Incomplete	*No change from the 2020 Annual Update
14.0	The City shall seek to secure a major aviation consumer that would act as an anchor to draw other aviation industry businesses.	ED-5.1	City Manager	Ongoing	Prospects are being developed and staff is currently actively pursuing potential major aviation customers. *No change from the 2020 Annual Update
15.0	The City shall create a Downtown Redevelopment Strategy which identifies a set of strategies for revitalizing and promoting downtown as the City's major social and recreational center.	ED-6.1	City Council & Community Development Dept.	Completed	Greuen & Greuen report completed in 2010
16.0	The City shall establish an historical theme for Lincoln incorporating design standards similar to Gladding McBean and Company and/or the railroad.	ED-6.1	Community Development Dept.	Incomplete	
17.0	The City shall, in conjunction with an incentive-based program, remove blight in the downtown area, including: old signs; billboards; shacks; structures no longer in use or beyond repair; and overhead power lines.	ED-6.1	Public Works	Ongoing	Beermann Alley Rule 20A project completed. *No change from the 2020 Annual Update
18.0	The City shall build a downtown plaza on the recently-acquired Gates and Fowler properties.	ED-6.1	Community Development Dept.	Completed	Beermann Plaza completed.
19.0	The City shall maintain their administrative offices (e.g., city council, city administration, city clerk, etc.) within downtown Lincoln.	ED-6.1	City Council	Completed	City Hall located at 600 Sixth Street.
20.0	The City shall enter into a working agreement with the present owners of Gladding McBean and Company to develop the historically-designated landmark of Gladding McBean and Company as a cornerstone of downtown Lincoln's redevelopment.	ED-6.1	City Council & Community Development Dept.	Incomplete	

Land Use and Community Design Implementation Measures

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
1.0	The City shall develop an inventory of available vacant sites that have potential for infill development.	LU-1.5	Community Development Dept. & City Engineer	Ongoing	This task was completed as part of 2021 Housing Element update.
2.0	The City shall develop zoning incentives to encourage innovative design in both infill and newly developing areas that optimizes the use of vacant land through flexible development standards, shared parking, landscaping, and site amenities.	LU-2.8, 3.7, 4.4	City Council Planning Commission Community Development Dept.	Ongoing	The City provides flexible development standards such as density bonuses for sites integrating affordable housing. Shared parking is permitted; and in-lieu parking is permitted; and reductions are also permitted for affordable units. *No change from the 2020 Annual Update
3.0	The City shall develop zoning incentives that encourage mixed use redevelopment in the downtown area through the reuse of existing buildings.	LU-1.1, 1.2	City Council Planning Commission Community Development Dept.	Incomplete	

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
4.0	<p>The City shall review and amend, as necessary, applicable ordinances and regulations to ensure consistency with the General Plan. These shall include the following:</p> <ul style="list-style-type: none"> • Zoning Ordinance • Subdivision Ordinance • Development Standards 	LU-6.1, 6.2	Community Development Dept.	Ongoing	<p>Staff intends to seek annual Zoning ordinance amendments to ensure consistency with the General Plan which includes modifications to various development standards.</p> <p>*No change from the 2020 Annual Update</p>
5.0	<p>The City shall implement the provisions of this General Plan through its ongoing project review process.</p>	LU-8.2	<p>City Council</p> <p>Planning Commission</p> <p>Community Development Dept.</p>	Ongoing	<p>The City continues an entitlement review process with all applicants and future applicants.</p> <p>Staff routinely meets with applicants that are seeking a development project.</p> <p>*No change from the 2020 Annual Update</p>
6.0	<p>The Planning Commission shall review the General Plan annually, focusing principally on actions undertaken in the previous year to carry out the implementation programs of the Plan. The Planning Commission's report to the City Council shall include, as the Planning Commission deems appropriate, recommendations for amendments to the General Plan.</p>	LU-8.2	<p>City Council</p> <p>Planning Commission</p> <p>Community Development Dept.</p>	Ongoing	<p>The Annual Progress Report will continue to be scheduled for Planning Commission and City Council review.</p> <p>*No change from the 2020 Annual Update</p>

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
7.0	The City shall conduct a major review of the General Plan, including the General Plan Policy Document and Background Report, every five years and revise it as deemed necessary.	LU-8.4	City Council Planning Commission Community Development Dept.	Ongoing	The Annual Progress Report provides an opportunity for the Planning Commission and City Council to evaluate and determine if General Plan polices need further refinement and/or no longer consistent with the vision and direction of the City. *No change from the 2020 Annual Update
8.0	The City shall investigate and implement, as appropriate, mechanisms to be used for funding the five-year update of the General Plan.	LU-8.4	City Manager	Complete	The City established a General Plan maintenance fee in February 2020. *No change from the 2020 Annual Update

Transportation and Circulation Implementation Measures

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
1.0	The City shall develop Transportation Impact Guidelines for all traffic impact studies. The guidelines shall address the evaluation of impacts on traffic, transit, bikeways and pedestrians.	T-2.2	Community Development Dept.	Ongoing	Guidelines established with each Specific Plan. *No change from the 2020 Annual Update
2.0	The City shall prepare a Capital Improvement Program (CIP) based on a 20-year forecast of development under the General Plan that meets its LOS policies. The CIP shall be updated every five years or after any substantial amendment to the General Plan.	T-2.3, 2.4 2.19	Community Development Dept. & Engineering Dept.	Complete	This task was completed as part of 2021 Housing Element update.

Implementation Measure	Policy	Responsibility	Status		
			Timeframe	Status	
3.0	The CIP shall have a phasing element including identification of short-term (5 year) improvements. The City shall monitor critical intersections and update the CIP and phasing element every five years.	T-2.5	Engineering Dept.	Ongoing	Updated with Annual Capital Improvement Budget. *No change from the 2020 Annual Update
4.0	The City shall maintain a long-term development scenario in the Placer County Transportation Demand Model, with assumptions that are consistent with the development of the CIP. This scenario shall be regularly updated to reflect adopted development and roadway projects and used in traffic studies to evaluate cumulative impacts of development projects.	T-2.2 T-2.19	Community Development Dept.	Ongoing	Completed with every development environmental document. *No change from the 2020 Annual Update
5.0	The City shall maintain a traffic count book with count data from the CIP and traffic impact studies and collect a comprehensive set of citywide counts with each update to the CIP.	T-2.2 T-2.5	Engineering Dept.	Ongoing	Collection of data continues with each project as appropriate and as special needs arise. *No change from the 2020 Annual Update
6.0	Construct second through lanes on the northbound and southbound approaches and a second left turn lane to the westbound approach to improve the intersection of Fiddymont Road and Athens Road to LOS B (V/C 0.62).	T-2.3	Community Development Dept. & Engineering Dept.	Unknown	Implementation will be triggered by development of western villages and associated traffic impacts. *No change from the 2020 Annual Update
7.0	Construct second through lane on both the northbound and southbound approaches to improve the intersection of Industrial Avenue and Athens Road to LOS C (V/C 07.5).	T-2.3	Community Development Dept. & Engineering Dept.	Unknown	Implementation will be triggered by development of Lincoln 270. *No change from the 2020 Annual Update
8.0	The City shall update its Traffic Impact Fees along with each CIP update to provide funding for the CIP project list. The fees shall also be updated annually based on a construction cost index.	T-2.10 T-2.11	Engineering Dept. & Administrative Support Services Dept.	Ongoing	Update of all PFE, including Traffic, is anticipated to be completed by the end of FY20/21

Implementation Measure	Policy	Responsibility			
			Timeframe	Status	
9.0	The City shall preserve roadway Right-of-Way adequate to accommodate long-term development levels (i.e. the residential build-out scenario used to evaluate the General Plan).	T-2.15	Community Development Dept.	Ongoing	Necessary right of way for ultimate build out of General Plan roadways is identified on the appropriate Tentative Maps and secured with Final Maps. *No change from the 2020 Annual Update
10.	The City shall maintain and periodically update a schedule for retiming and/or synchronizing traffic signals along the City’s arterial streets.	T-2.16	Public Works Dept.	Ongoing	Performed on informal basis through the monthly service contract. *No change from the 2020 Annual Update
11.	The City shall include the construction of an above-grade crossing of the Union Pacific Railroad tracks along Lincoln Blvd in the Capital Improvements Program.	T-2.18	Engineering Dept.	Unknown	A grade separated crossing of railroad is programmed in PFE as a part of Gladding Parkway. Implementation triggered by cumulative traffic impacts. *No change from the 2020 Annual Update
12.	The City shall update its Bikeway Master Plan at least every 7 years.	T-5.1 T-5.2 T-5.7	Engineering Dept.	Completed	The Bikeway Master Plan was updated in June 2018.
13.	The City shall conduct a study to investigate the feasibility of providing airline shuttle service at the Lincoln Regional Airport. The shuttle would serve small groups for business travel purposes.	T-6.1	Public Works Dept.	Unknown	Evaluated but not implemented. Currently there are not enough passengers to support that type of service. *No change from the 2020 Annual Update

Public Facilities and Services Implementation Measures

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
1.0	The City shall seek grant funding for the extension of reclaimed waterlines.	PFS-3.5	Public Works Dept. & Engineering Dept.	Ongoing	<p>The Phase 1 Reclamation project was supported by Proposition 50, Integrated Regional Water Management Grant Program and local matching funds. A grant amount of \$770,000 was procured towards the total construction project cost of \$2.188 million dollars. The project has been completed and reclaimed water is currently used for irrigation at Foskett Regional Park and landscape medians along Joiner Parkway.</p> <p>The City has applied for Proposition 1 Round 1 Integrated Regional Water Management Grant Funding through the Regional Water Authority to extend the reclaimed water main to Joiner Park. A grant amount of \$452,206 is anticipated to be awarded for this project. The Joiner Park Conversion to Reclaimed project will be out to bid in Winter 2022 with construction anticipated in the summer of 2022.</p> <p>The Reclaimed Water Master Plan has been finalized and will be utilized to explore funding opportunities for future reclaimed water infrastructure projects.</p>
2.0	The City shall prepare a City Drainage Management Plan that will provide for and coordinate the use of detention/retention basins to limit outflow to 90% of pre-project conditions for the 100-year and smaller year events. The Drainage Management Plan shall be completed prior to the construction or revision of a major hydrologic facility.	PFS-4.1	Community Development Dept.	Completed	<p>Implementation of State mandated MS4-Phase 2 guidelines and West Placer Storm Water Quality Design Manual require more than Implementation Measure.</p> <p>*No change from the 2020 Annual Update</p>

Implementation Measure	Policy	Responsibility	Timeframe		Status
			Timeframe	Status	
3.0	The City shall incorporate low impact development (LID) alternatives for stormwater quality control into development requirements. LID alternatives may include, but are not limited to, the following: (1) conserving natural areas and reducing imperviousness, (2) runoff storage, (3) hydro-modification (to mimic pre-development runoff volume and flow rate), and (4) public education.	PFS-4.1 PFS-4.2	Community Development Dept.	Ongoing	Part of entitlement review. *No change from the 2020 Annual Update
4.0	The City shall actively participate in appropriate forums designed to discuss and solve regional water supply and water quality issues.	PFS-4.5	Community Development Dept., Public Works Dept., & Engineering Dept.	Ongoing	Continued participation and coordination with NID, PCWA, RWA and GSA *No change from the 2020 Annual Update
5.0	The City shall prepare guidelines to promote “green” building techniques such as recycling of construction debris.	PFS-5.3	Community Development Dept.	Ongoing	Included in project Conditions of Approval. *No change from the 2020 Annual Update
	The City will update its plans for fire and police protection services to include the proposed locations of fire and police stations based on future development trends.	PFS-8.1 PFS-8.2	Fire Dept., Police Dept., & Community Development Dept.	Ongoing	Village 5 development has identified a future location(s). *No change from the 2020 Annual Update
7.0	As part of the project review process, developments must demonstrate appropriate security design features in their projects, such as increased lighting, low-level landscaping and easily identifiable access.	PFS-8.9	Police Dept.	Ongoing	All projects include safety design features. *No change from the 2020 Annual Update
8.0	The City shall locate new K-6 schools within reasonable walking distances from residential neighborhoods.	PFS-9.1 PFS-9.2	City Manager & Community Development Dept.	Ongoing	School siting is a collaborative effort between the school district, City staff, and the development community working together to achieve this goal. *No change from the 2020 Annual Update
9.0	The City shall encourage the school district to locate new K-6 schools on streets meeting the City’s LOS standards.	PFS-9.1 PFS-9.2	City Manager & Community Development Dept.	Ongoing	School siting is a collaborative effort between the school district, City staff, and the development community working together to achieve this goal. *No change from the 2020 Annual Update

	Implementation Measure	Policy	Responsibility		
				Timeframe	Status
10.0	The City shall encourage the school district to locate new K-6 schools where public services such as parks, recreation, and public transportation are available.	PFS-9.1 PFS-9.2	City Manager, Community Development Dept. & Public Works Dept.	Ongoing	School siting is a collaborative effort between the school district, City staff, and the development community working together to achieve this goal. *No change from the 2020 Annual Update
11.0	Wherever possible, the City shall locate school facilities adjacent to other City recreational facilities, to maximize joint use of school buildings, City parks and playgrounds.	PFS-9.1 PFS-9.2	City Manager, Community Development Dept. & Public Works Dept.	Ongoing	School siting is a collaborative effort between the school district, City staff, and the development community working together to achieve this goal. *No change from the 2020 Annual Update

Open Space and Conservation Implementation Measures

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
	The City shall adopt specific criteria for the protection of natural and cultural resources as part of the City’s environmental review process. This will include standards for determining environmental significance.	OSC-1.1 OSC-1.2	Community Development Dept.	Ongoing	Natural and cultural resources are analyzed within each specific plan and new development to meet compliance with state and regional regulations. *No change from the 2020 Annual Update
2.0	The City shall investigate the establishment of a land trust for open space lands and consider opportunities for acquiring natural habitat and agricultural areas for permanent open space and natural parks.	OSC-1.1 OSC-1.2 OSC-5.3 OSC-5.6 OSC-5.9	Community Development Dept.	Complete	The City adopted the PCCP/HCP in 2020.
3.0	The City shall establish a mitigation fee for habitat preservation and replacement. Within the Village Areas, the inclusion of the 40 percent open space could provide adequate mitigation for habitat.	OSC-1.1 OSC-1.2 OSC-5.3 OSC-5.6 OSC-5.9	Community Development Dept.	Complete	The City adopted the PCCP/HCP in 2020.
4.0	The City shall adopt a tree preservation ordinance to protect healthy landmark or historic trees from removal.	OSC-5.1	Community Development Dept.	Incomplete	An ordinance has yet to be developed that would identify landmark trees, including development of protocols for the removal of historic trees. *No change from the 2020 Annual Update
5.0	The City shall adopt construction standards for the protection of cultural and historic resources in the City	OSC-6.1 OSC-6.2 OSC-6.3 OSC-6.4 OSC-6.5 OSC-6.6 OSC-6.7	Community Development Dept.	Ongoing	Construction standards are analyzed within each specific plan and new development to meet compliance with state and regional regulations. *No change from the 2020 Annual Update
6.0	The City shall adopt standards for monitoring of mitigation measures established for protection of archeological resources prior to development.	OSC-6.5 OSC-6.7	Community Development Dept.	Ongoing	Archeological resources are analyzed within each specific plan and new development to meet compliance with state requirements. *No change from the 2020 Annual Update
7.0	The City shall adopt a right-to-farm ordinance to protect agricultural operations immediately adjacent to the City from complaints from new urban development.	OSC-2.1 OSC-2.2	Community Development Dept.	Ongoing	As each remaining specific plan is processed, staff plans to develop an agriculture overlay zone. The Village 5 and Village 7 Specific Plan areas include an agricultural overlay zone.

Health and Safety Implementation Measures

Implementation Measure		Policy	Responsibility		
				Timeframe	Status
1.0	The City shall amend the Zoning Ordinance to prohibit development on areas containing a slope of 30% or greater.	HS-2.2	Community Development Dept.	Incomplete	Slopes and geologic conditions are analyzed on a case by case basis when evaluating all projects, including commercial and residential projects. The City has yet to adopt regulations. *No change from the 2020 Annual Update
2.0	The City will adopt guidelines and procedures for evaluating and mitigating geologic hazards (e.g., liquefaction and expansive soils) in the review and approval of both public and private projects.	HS-2.3	Public Works Dept. & Community Development Dept.	Ongoing	Geologic materials are analyzed within each specific plan to meet compliance with state regulations. *No change from the 2020 Annual Update
3.0	The City shall encourage lowest emission technology buses in public transit fleets.	HS-3.1 HS-3.3	Public Works Dept.	Non-Applicable	The City no longer has a bus fleet. Ownership was transferred to the County per agreement between the City and the County in which the County provides transit services within the City of Lincoln.
4.0	The City shall replace City fleet vehicles with low-emission technology vehicles, wherever possible.	HS-3.16	City Council & City Manager	Ongoing	The City purchases vehicles that comply with California’s emission standards. *No change from the 2020 Annual Update
5.0	The City shall encourage the continued use of neighborhood electric vehicles.	HS-3.17 HS-3.18	Community Development Dept.	Ongoing	Development entitlement projects are planned to ensure compliance with the City’s NEV Master Planning policies. *No Change
6.0	The City shall develop siting and enforcement criteria for businesses that use and produce hazardous materials and wastes. The criteria shall be adopted as a provision in the City’s Zoning Ordinance.	HS-5.1 HS-5.2 HS-5.6	Community Development Dept.	Ongoing	The City has Zoning standards and criteria (Special Use Permit) that regulate placement of hazardous materials and wastes. Hazardous materials and waste are analyzed within each specific plan to meet compliance with state regulations. *No change from the 2020 Annual Update
7.0	The City shall develop a household hazardous waste dropoff and transfer program. This program should include a biannual collection of hazardous materials.	HS-5.8 HS-5.9	Public Works Dept.	Ongoing	Currently the City collects the following household hazardous waste materials: FOG and electronic waste. *No change from the 2020 Annual Update

Implementation Measure	Policy	Responsibility	Status		
			Timeframe	Status	
8.0	The City shall adopt uniform urban and wildland fire management plan standards.	HS-7.3	Fire Dept. & Community Development Dept.	Ongoing	The Fire Department works to adopt the current Building and Fire Codes to reduce fire risk. New developments are required to provide project specific wildland fire management plans. *No change from the 2020 Annual Update
9.0	The City shall review and update the Emergency Response Plan a minimum of every 5 years.	HS-9.1	Fire Dept. Police Dept.	Incomplete	Completion of this task will be a priority after the funding of additional required personnel. *No change from the 2020 Annual Update
10.0	The City will prepare guidelines for developers for reducing potential noise impacts (including construction-related noise impacts) on surrounding land uses.	HS-8.2 HS-8.8 HS-8.9 HS-8.10	Community Development Dept.	Incomplete	Staff intends to research development thresholds and to solicit feedback with the Council and Planning Commission on appropriate and reasonable noise standards. *No change from the 2020 Annual Update
11.0	The City shall create and periodically update an emergency management plan for the evacuation of people in areas at risk for flooding.	HS-9.1	Fire Dept. & Public Works Dept.	Incomplete	There has been no available staffing in the Fire Department budget to complete this task. Completion of this task will be a priority after the funding of additional required personnel. *No change from the 2020 Annual Update
12.0	The City shall develop and implement a program for training staff in disaster preparedness and response.	HS-9.3	Fire Dept. Police Dept.	Ongoing	The City of Lincoln has traditionally provided SEMS/NIMS training as well as IS700 & IS800 training to most City personnel. Fire Department personnel receive this training on an ongoing basis. Due to attrition there are new staff that need to complete NIMS and ICS training. *No change from the 2020 Annual Update

Development District zoning that promotes a variety of housing types in the city through the utilization of innovative development techniques and flexible standards, such as: zero lot lines, clustering of dwelling units, narrower streets, increased densities, and fewer dedication requirements.		Development Dept.		application of Planned Development District zoning and will continue to facilitate successful departmental review and the public hearing process as applications are received. *No change from the 2020 Annual Update
2.2 Continue biannual review of the building code, zoning ordinance, subdivision ordinance, and processing procedures to identify and modify process requirements, approval of criteria, and/or fees that could create an impediment to the cost of housing.	H-2	Community Development Dept.	Ongoing	The City plans to adopted the 2022 Building Code near the end of the year. The City has evaluated new processes and implemented administrative procedures to assist with timely building permit review and issuance.
2.3 Continue to allow and promote the use of density bonuses to provide affordable housing (Lincoln Municipal Code Section 18.59).	H-2	Community Development Dept.	Ongoing	The City has continued to allow and promote the use of density bonuses for affordable housing projects, but has not received any requests in 2021.
2.4 Continue to allow for the development of second dwelling units in residential districts in accordance with Section 65852.2 of the California Government Code.	H-2	Community Development Dept.	Ongoing	The City continues to allow the development of second dwelling units in residential districts, and approved three accessory second dwelling unit building permit applications in 2021.
2.5 Continue to allow mobile home parks as a permitted use in the City's Multiple Residential (R-3) Districts.	H-2	Community Development Dept., Planning Commission, and City Council	Ongoing	The City continues to allow mobile home parks as a permitted use in the Multiple Residential (R-3) district, but no new mobile home parks have been approved in 2021.
2.6 Facilitate the development of market-rate rental housing through the following: • Regulatory incentives,	H-2	Community Development Dept.	Ongoing	There have not been any market-rate rental housing projects developed in 2021. The Municipal Code allows for Density Bonuses that include affordable housing.

Implementation Measure	Policy	Responsibility	Status		
			Timeframe	Status	
<p>such as expediting permit processing, deferred fees, and/or reduced parking requirements based on the bedroom mix of the project.</p> <ul style="list-style-type: none"> Provide a 35 percent density bonus when at least 20 percent of the units are affordable to low-income households or 10 percent of the units are affordable to very low-income households. <p>The City publicizes the above incentives for market-rate housing to developers and/or other interested parties by providing informational fliers at the Development Services Department’s counter and in the general development application packet.</p>				<p>The City has not publicized the density bonus program through informational fliers, the development community is aware of state and local provisions and incentives.</p>	
2.7	Continue to allow for the location of single-room occupancy uses as a conditional use in Multiple Residential (R-3) districts to provide additional housing opportunities for extremely low-income households.	H-2	Community Development Dept., Planning Commission, and City Council	Ongoing	The City continues to allow single-room occupancy (SRO) uses in Multiple Residential (R-3) districts with the issuance of a Conditional Use Permit. No SROs have been developed in 2021.
2.8	Encourage and facilitate the development of housing affordable to lower-income households in Village 1 and Village 7 through incentives, such as: <ul style="list-style-type: none"> Deferred development fees; Reduced parking requirements; 	H-2	Community Development Dept.	Ongoing	The City continues to encourage the development of housing affordable to lower-income households in Village 1 and Village 7 by offering expedited review, and technical assistance, but has not received any applications in 2021.
