Operating a FIREWORKS STAND

- You may only sell “**Safe and Sane**” fireworks.
- If your fireworks are stored onsite you must have a 24 hour watchman. If you choose, you may store them at the supplier or distributor. **FIREWORKS MUST NOT BE STORED AT PRIVATE RESIDENCES.**
- You must also have an adult watchman in attendance and in charge thereof while the stand is being used for the sale, offering for sale, display or storage of fireworks.
- There is **NO** drinking of alcoholic beverages in or about the fireworks booth or storage site at any time.
- It is unlawful to discharge or ignite fireworks within one hundred fifty (150) feet of a fireworks stand.
- “No Smoking” signs shall be prominently displayed on each fireworks stand.
- Each fireworks stand must have at least two approved exits spaced an equal distance apart.
- Each fireworks stand shall have with two 2-½ gallon, “water-type” fire extinguishers approved by the fire chief, in good working order, and easily accessible for use in case of fire.
- All weeds and combustible materials shall be cleared from the location of the fireworks stand, and for a distance of at least (30) thirty feet surrounding the stand.
- Firework stands and other material used in connection with the public display of fireworks shall be removed within forty-eight (48) hours after expiration of the permit.

It is UNLAWFUL for any person, firm or corporation to maintain or conduct a public display of fireworks within the city without having first obtained a city permit...

Have a SAFE and Happy Fourth of July!
