**To qualify for the program, the applicant must:**

- ☐ Have a City of Lincoln Water Utility account.
- ☐ Submit a completed application form.
- ☐ Replace a 3.0 gallon per flush (GPF) or higher toilet with a 1.28 GPF or less (single flush) or 1.28/.8 GPF or less (dual flush).
- ☐ Replace the entire toilet (tank and bowl).
- ☐ Return the completed application form and receipt no later than 90 days after the purchase date.

**PLEASE NOTE**

- The Energy Policy Act of 1992 mandates a maximum flush volume of 1.6 gallons for toilets manufactured and installed after this date. Please double-check that your toilet meets the above criteria.
- Rebates will be issued as a check payable to the current City of Lincoln Utility customer with an account in their name at the service address where the fixture is installed.
- The maximum rebate per toilet is \$75.00 or purchase price of toilet, whichever is less.
- There is a maximum of 2 toilet rebates per service address.
- Proof of payment submitted must indicate the itemized cost of the toilet(s). Receipts that do not include itemized cost will be rejected.
- Please allow for up to 90 days for application to be processed.
- The rebate program does not apply to purchases for new construction and development.
- Rebates are subject to program funding availability.
- The customer is solely responsible for toilet installation arrangements and payment for toilet.
- City does not warrant, endorse, or assume liability for the quality, performance, or safety of any product or services performed by any retail outlet, plumber, contractor, or employees or agents of same, related to any purchase under this program.
- Installations may be subject to inspection and verification that a high-efficiency toilet has actually been installed. Customer agrees to allow the City of Lincoln to inspect the fixture at the installation address by appointment with prior notification.
- City reserves the right, at its sole and absolute discretion and at any time, to change any or all of the Terms and Conditions for the rebate program or to cancel the rebate program without prior notice.
- Please do not mail this application with your utility payment.
- Repayment of rebate will be required if any Terms and Conditions are found to have been breached.
- Incomplete or illegible applications will be denied.
- New toilets purchased must be WaterSense approved. Qualifying models can be found on the [EPA website](https://www.epa.gov/watersense).
