

# Registration Form

Battle of the Books (BOB) is a free annual book-based trivia tournament that promotes literacy and a love of reading. The Lincoln Public Library BOB is for students in grades 9-12. Participating teens will put together a team and read the selected books. One set of books will be provided free by the Lincoln Public Library to each team. Then teens compete in teams to answer the most trivia questions during our live Battle of the Books competition. Read books and have fun on the road to victory!

**Register October 17, 2024 - February 1, 2025**
